ACMS 2018 Annual Meeting  Hilton Chicago, Chicago, IL • Thursday, May 3 – Sunday, May 6, 2018
President's Message

Dear Colleagues,

On behalf of the ACMS Board of Directors, I invite you to join me and your esteemed ACMS colleagues in celebration of the College’s 50th Anniversary during the 50th Annual Meeting in Chicago this coming May.

To have reached a milestone like this one while also having built such a solid and engaged membership over the course of these 50 years is truly remarkable. Though I’m certainly excited that our 50th year happens to fall at the conclusion of my presidency, I am even more grateful and proud to be counted among the many, many talented Mohs surgeons who have played a part in the College’s evolution.

While we are all keenly aware of the meeting’s value as a means of education, we must also recognize its power as a tool of connection and renewal. Years and miles may lie between many of us, but the opportunity to come together each year, revisit old friendships, create new ones, and engage one another in the kind of spirited dialogues that have advanced medicine for hundreds of years cannot be underestimated. In 2018, there are sure to be challenges and opportunities that will demand our best thinking and strategizing, but I am confident that the foundation Dr. Mohs and his contemporaries laid 50 years ago will support our efforts.

Speaking of support, the coming year will also mark a new series of opportunities to give back to the College in a meaningful way. You will learn more at the meeting about what’s in store and how you can be a part of it.

Last but certainly not least, many thanks to Dr. John Carucci, chair of the Scientific Program Committee, for leading the development of a program that promises to be among our most cutting edge and comprehensive to date. Thanks also to Jeremy Bordeaux and the CME & Education Committee for their contributions, and to the ACMS staff for their efforts to make the meeting such an enjoyable and enriching experience for all.

Please join me for a very special (and fun) 50th Anniversary celebration that honors our past and looks toward a bright future. See you in Chicago!

Sincerely,

Allison T. Vidimos, MD, RPh, FACMS – 2017-18 ACMS President

Program Chair’s Message

Dear Colleagues,

I cordially invite you to attend the 2018 ACMS Annual Meeting in Chicago, where together we will celebrate the College’s 50th Anniversary. The Scientific Program Committee has worked to craft a program that focuses on a broad range of relevant topics. Some highlights include:

• The pre-conference Hand & Nail workshop will provide useful experience to beginner, intermediate and advanced nail surgeons in a small group setting.
• The pre-conference Hands-on Cutaneous Flap Workshop and the Mohs Surgery Histotechnology and Lab Set Up Workshop offer fellows-in-training valuable perspectives on important topics.
• The popular Morning Mini-Sessions have been tailored to meet interests in cutaneous oncology, reconstruction, patient safety, peri- and post-operative care, and more.
• Four experienced guest speakers will offer new perspectives: Shlomo Koyfman will discuss Working with Your Radiation Oncologist; Anna Pavlick will cover Novel Approaches to Aggressive Skin Cancers; former Acting U.S. Surgeon General Boris Lushniak will discuss skin cancer prevention through the lens of public health; Nirusha Lachman will again cover Case-Based Anatomy; and Drs. Koyfman and Pavlick will serve as panelists on a Tumor Board.
• Plenary sessions will feature highly engaging content on a variety of topics, including MIPS & MACRA, Transplant Oncology, Navigating EHRs, Establishing the ACMS Registry, and much more.

Thank you to Dr. Vidimos, the Scientific Program Committee, CME & Education Committee, staff, and others who helped plan this milestone meeting. I look forward to celebrating with you in Chicago!

Sincerely,

John A. Carucci, MD, PhD, FACMS – Chair, 2018 Scientific Program Committee
## Registration Information

### Early Registration

ACMS members receive $50 off your registration fee by registering early. To receive the discount, your registration must be received at the ACMS Office by January 31, 2018.

### Registration Confirmation Emails

Registrants who mail or fax their registration will receive confirmation via email approximately two to three weeks after their registration and payment is received at the ACMS Office. Those registering for the Annual Meeting online will receive a confirmation almost immediately via email. Please print the confirmation and bring it with you to the meeting to help facilitate your registration process.

### On-Site Registration

Pre-registration must be received by the ACMS Office on or before March 30, 2018. The office will not accept any registrations after March 30 and will require you to register and pay on-site. The registration desk will be open at the Hilton Chicago on the following days and times (subject to change):

- **Wednesday, May 2:** 1:00 – 6:00 pm
- **Thursday, May 3:** 6:30 am – 5:00 pm
- **Friday, May 4:** 6:30 am – 5:00 pm
- **Saturday, May 5:** 6:30 am – 4:00 pm

### Cancellations and Refunds

Registration fees, minus a $200 administration fee, will be refunded upon written notice of cancellation if the request is received at the ACMS Office no later than February 28, 2018. Email info@mohscollege.org or fax (414) 276-2146. Refunds will not be given after that date.

<td>$55 Each</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

All ACMS members, Associate Applicants, current fellows-in-Training, residents and non-member physicians who are registered for the meeting may sign up to attend a Morning Mini-Session. Pre-registration for these sessions is strongly encouraged as the number of seats is limited. Registrants will receive tickets for the Morning Mini-Sessions; each session will have a room monitor who will only admit those who have the correct ticket. Tickets may be purchased at the registration desk until the session is sold out.

The Diagnostic Quality Control Exam is entirely online. Instructions for accessing the digital DQC Exam will be sent to your email address leading up to the Annual Meeting. Access to the Diagnostic Quality Control Exam is $50 for ACMS members and free to fellows-in-training. Only ACMS members who register for the exam and complete it online will receive a certificate of participation. Certificates are mailed approximately 4-6 weeks after the meeting. CME credit is not offered for taking the digital Diagnostic Quality Control Exam.

#### Special Events

**Friday, May 4**

- **6:45 – 8:00 pm • Reception Introducing Fellows-in-Training**
  Exclusively for ACMS & ACGME program directors and current fellows-in-training, this event offers the opportunity to network and socialize with each other and congratulate the fellows-in-training on their upcoming graduation. The winner of the Tromovitch Award will be announced and hors d’oeuvres and beverages will be provided.

**Saturday, May 5**

- **6:00 – 10:00 pm • 50th Anniversary Reception**
  *Palmer House Hilton, 17 East Monroe Street (transportation provided) (advance registration required)*
  Join colleagues and special guests to celebrate the 50th Anniversary of the College and honor the rich legacy of Dr. Frederic Mohs. Enjoy cocktails and hors d’oeuvres amid the historic charm of the Palmer House Hilton, where the College’s first meeting was held 50 years ago.

10:45 – 11:00 am  Break (CME Not offered)

11:00 am – 12:00 pm  MOC Self-Assessment: Skin Cancer (Non-CME Session)

Special Events

Sunday, May 6

11:00 am – 12:00 pm • MOC Self-Assessment Session: Skin Cancer

The ACMS is offering an MOC Self-Assessment, which satisfies a portion of the self-assessment module of Component 2 in Maintenance of Certification with the American Board of Dermatology (ABD). Participants must complete the MOC Credit Form, available in the session on Sunday, and return it to the ACMS Registration Desk. You must also update your ABD MOC tables to reflect the credits available for the session. Note: If you claimed MOC credits for ‘MOC: Skin Cancer’ at a previous ACMS Annual or Regional Meeting, you cannot claim MOC credits for ‘MOC: Skin Cancer’ at the 2018 Annual Meeting.

♦ Represents advanced expertise level course
CME Information and Learning Objectives

Accreditation Statement
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the sponsorship of the American College of Mohs Surgery (ACMS). The ACMS is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement
The ACMS designates this live activity for a maximum of 28.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistant Credit
The American Academy of Physician Assistants (AAPA) accepts AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME. Physician Assistants attending the Annual Meeting can submit certificates or transcripts showing how many physician CME credits were offered for an activity to the AAPA and get them “converted” to PA CME credit. The AAPA also grants and counts AMA PRA Category 1 Credit(s)™, but those are specifically for PAs and have to come from a provider accredited by the AAPA. Both groups label their credits Category 1 CME, but the labels, though they read the same, refer to different evaluations.

Disclosure of Conflicts of Interest
To comply with the ACCME Standards of Commercial Support on the need for disclosure and monitoring of proprietary and financial interests that may affect the scientific integrity and balance of content delivered in continuing medical education activities under our auspices. The ACMS requires that all CME certified activities be developed free from the control of a commercial interest and be balanced, objective, and scientifically rigorous. Anyone with the ability to affect the content of an educational activity must disclose relevant financial relationships with health organizations producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients, as well as any unapproved or off-label uses of medical devices or pharmaceutical agents that they discuss, describe, or demonstrate during their presentations. Meeting attendees should use their independent judgment in applying the information discussed in these educational sessions in the treatment of patients.

Disclosure of Conflicts of Interest
Upon completion of the Annual Meeting, participants will be able to describe recent advances in the management of skin cancer, discuss recent research findings in the area of Mohs micrographic surgery and cutaneous oncology, and explain new techniques in reconstruction that promote optimal surgical outcomes.

Learning Objectives
Specific learning objectives, upon completion of the ACMS Annual Meeting, include:

- Design and execute routine and advanced reconstructions of the lip, nose, eyelid and ear;
- Describe current recommendations for diagnosis and treatment of melanoma, and Merkel cell cancer;
- Recall the benefits and techniques involved in utilizing immunohistochemistry in the treatment of melanoma and nonmelanoma skin cancers;
- Refine reconstruction techniques to improve scars post-Mohs micrographic surgery;
- Identify options for treatment of nonmelanoma skin cancer when the patient is not a candidate for the initial choice of treatment;
- Identify anatomic landmarks and integrate knowledge of those landmarks into the practice of Mohs micrographic surgery;
- Recognize potential errors in frozen section examination of skin cancers and develop ways to minimize those errors;
- Describe essential principles to optimize surgery of the nail unit;
- Explain proper billing and coding practices for Mohs and reconstructive surgery;
- Maximize collaboration with surgical colleagues in other disciplines to improve patient outcomes postoperatively;
- Identify elements of the preoperative history that require management preoperatively;
- Review the most recent literature regarding dermatologic surgery, advances in the care of nail disease, and melanoma;
- Describe recent developments in the management of skin cancer in organ transplant recipients.
Guest Speaker Biographies

RA DM (Ret.) Boris D. Lushniak, MD, MPH

Rear Admiral retired Boris D. Lushniak, MD, MPH, has been Dean of the School of Public Health at the University of Maryland since January 2017. He was the US Deputy Surgeon General from 2010-15, assisting the Surgeon General to articulate the best available scientific information to the public to improve personal health and the health of the nation. He also oversaw the operations of the U.S. Public Health Service (USPHS) Commissioned Corps, comprised of approximately 6,700 uniformed health officers who serve in locations around the world to promote, protect, and advance the health and safety of our nation. Dr. Lushniak served as Acting Surgeon General from 2013-14 and was responsible for the release of the 50th Anniversary Surgeon General's Report on Smoking and Health and the first-ever Surgeon General's Call to Action to Prevent Skin Cancer. He retired from the USPHS in 2015 after 27 years of service, and maintains certifications in dermatology and preventive medicine.

Shlomo Koyfman, MD

Dr. Koyfman is an assistant professor in the Departments of Radiation Oncology and Bioethics at Cleveland Clinic. He graduated from Yale Medical School and completed his radiation oncology training at Cleveland Clinic. He specializes in head and neck and skin cancers as well as advanced radiation planning techniques. He served on the NCI steering committee task force for head and neck cancer and is a member of the Head and Neck Cancer Committee of the NRG Oncology cooperative group.

Nirusha Lachman, PhD

Dr. Lachman is a professor in the Department of Anatomy, College of Medicine with joint appointment in the Department of Surgery, Division of Plastic Surgery at Mayo Clinic. Her primary focus lies in integrating anatomy education for everyday practice, and she is one of few clinical anatomists in the world who works collaboratively on a daily basis with clinicians in a practice-based setting. In her 20-year career as a clinical anatomist, Dr. Lachman has contributed more than 74 scientific publications in peer reviewed journals, 16 book chapters and numerous abstract publications, and national and international presentations.

Anna C. Pavlick, BSN, MSc, DO, MBA

Dr. Pavlick is a professor of Medicine and Dermatology in the Division of Medical Oncology at NYU School of Medicine. She also serves as medical director of the NYU Cancer Center Clinical Trials Office, co-director of the NYU Melanoma Program and assistant director of NYU Clinical Research and Education with responsibilities in the areas of melanoma and translational research. Dr. Pavlick’s academic practice focuses on clinical research in cutaneous malignancies.
Hotel & Travel Information

The 2018 ACMS Annual Meeting will be held at:

Hilton Chicago
720 South Michigan Avenue, Chicago, IL 60605
(877) 865-5320
Hotel website link available on the Registration/Hotel tab of www.MohsCollege.org/AnnualMeeting

- Magnificent location overlooking Grant Park, Lake Michigan, and the Museum Campus, home of Shedd Aquarium, Field Museum, and Adler Planetarium

Reservations

The ACMS secured the reduced nightly base room rate of $249 for single/double occupancy. Rates are subject to a 17.4% hotel occupancy tax.

To receive this discounted rate you must identify yourself as being with ACMS and must have already registered for the 2018 Annual Meeting.

Make your reservations early. These reduced group rates are available only through Friday, March 30, 2018 or until sold out. Reservation requests after the cut-off date will be based on availability at the group rate.

By phone:
(877) 865-5320
Ask for “American College of Mohs Surgery Annual Meeting.” Be sure you registered for the Annual Meeting and refer to the group and meeting name when registering.

Online:
Visit www.MohsCollege.org/AnnualMeeting, click on the Registration/Hotel tab, and click the Book Hotel link.

Hotel check-in time is 3:00 pm and check-out time is 12:00 pm.

Airports

Chicago-O’Hare International Airport (45 minutes/19 miles Northwest of Hilton Chicago)
Chicago Midway Airport (30 minutes/11 miles West of Hilton Chicago)
Gary-Chicago Airport (40 minutes/25 miles South of Hilton Chicago)

Transportation from Airports

For information on transportation options including taxi, shuttle, car service or rental, rail, bus, and more, visit the Hilton Chicago’s Maps & Directions webpage or O’Hare Airport’s Getting To and From webpage. (Links available on the ACMS Annual Meeting website).

Hilton Chicago Parking

Self-parking (garage): $61 / Valet: $75 (Rates exclude tax, prices subject to change)

Chicago Weather

During early May: Average high: 64°F; Average low: 51°F

Special Note to the Physically Challenged

The ACMS wishes to ensure that no individual with a disability is excluded, denied services, segregated, or otherwise treated differently than other individuals because of auxiliary aids and/or service(s). If you need an auxiliary aid or service(s) identified in the Americans with Disabilities Act, or any assistance in registering for this meeting, please contact the ACMS Office:

(414) 347-1103
info@mohscollege.org
555 East Wells Street, Suite 1100
Milwaukee, WI 53202

Policy on Pets and Service Animals

The ACMS prohibits pets in any meeting spaces, with the exception of service animals providing Americans with Disabilities Act (ADA) reasonable accommodations for a person with disabilities. According to the ADA, a service animal is defined as “any animal individually trained to work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals to an impending seizure or protecting individuals during one, and alerting individuals who are hearing impaired to intruders, or pulling a wheelchair and fetching dropped items.”

Attendees may be asked to provide proof of service animal status and/or licensure. Service animals must wear an owner identification tag (which includes the name and phone number of the owner) at all times. Animals must be on a leash, harness or other type of restraint at all times, unless the owner/partner is unable to retain an animal on leash due to a disability. The owner must be in full control of the animal at all times. The care and supervision of the animal is solely the responsibility of the owner/partner.
Invited Faculty and Guest Speakers

(Ass of 12/20/17)

Sumaira Z. Aasi, MD, FACS, Stanford University School of Medicine, Redwood City, CA
Murad Alam, MD, MSCI, MBA, FACS, Northwestern University/Dermatology, Chicago, IL
John G. Albertini, MD, FACS, The Skin Surgery Center, Winston-Salem, NC
Sarah Tuttleton Arron, MD, PhD, FACS, UCSF, San Francisco, CA
Earl E. Bain, III, MD, Bain Dermatology, Raleigh, NC
Anna A. Bar, MD, FACS, Oregon Health & Science University, Portland, OR
Ramona Behshad, MD, Saint Louis University, St. Louis, MO
Christopher K. Bichakjian, MD, FACS, University of Michigan, Ann Arbor, MI
Elizabeth M. Billingsley, MD, FACS, Penn State Hershey Medical Center, Hershey, PA

Scientific Program – Wednesday, May 2

8:00 am – 5:00 pm

Fellows-in-Training Hands-on Cutaneous Flap Workshop
(Non-CME Workshop)
$75.00 registration fee
Workshop directors Drs. Mariah R. Brown, Jeremy Etzkorn and Ian A. Maher, alongside course faculty, will demonstrate and instruct fellows-in-training on how to perform multiple skin flaps on surgical training models. There will be one faculty member paired with two fellows-in-training for each surgical head. This will be an invaluable experience for fellows-in-training to gain individualized knowledge by working alongside experienced Mohs surgeons.

The workshop will take place at the Hilton Chicago, and the registration fee includes breakfast & lunch (for workshop registrants only). **Space is limited to 30 registrants and granted on a first-come, first-served basis. Families and pets are not permitted in the workshop. Service animals must have proper documentation.**

Directors: Mariah R. Brown, MD, FACMS; Jeremy Etzkorn, MD, FACMS; Ian A. Maher, MD, FACMS

Faculty: Ramona Behshad, MD; William H. Black, MD, FACMS; David R. Carr, MD, FACMS; Bryan T. Carroll, MD, PhD, FACMS; Laurin Council, MD, FACMS; Algin B. Garrett, MD, FACMS; S. Tyler Hollmig, MD; Todd E. Holmes, MD, FACMS; Justin J. Leitenberger, MD, FACMS; Misha D. Miller, MD, FACMS; Rachel Redenius, MD; Thuzar M. Shin, MD, PhD; Christine H. Weinberger, MD, FACMS; Ashley Wysong, MD, MS; Isaac Zilinsky, MD, FACMS

1:00 – 4:00 pm

Hand & Nail Workshop
(Non-CME Workshop)
$375.00 registration fee
Directed by Dr. Christopher Miller, this workshop is geared toward all levels of nail surgeons, from beginner and intermediate to advanced levels. It offers small group, hands-on experience practicing a variety of nail surgery techniques. Participants will be instructed on how to avulse the nail in several fashions (partial and complete), perform multiple different nail procedures (including punch, shave, longitudinal techniques), and for those with more advanced background, treat nail melanoma with en bloc excision of all nail tissues and perform nail flaps. Approaches to patient assessment, including surgical planning, equipment/suture selection, and anatomical considerations to optimize outcomes will be covered. Anatomy as it relates to safe surgical technique will be stressed. Fresh frozen cadaveric hands that allow for realistic hands-on practice will be utilized.

The workshop will take place at the Northwestern University Simulation Lab, and shuttle service will be provided for participants. **Space is limited to 40 registrants and granted on a first-come, first-served basis, with 2 participants per cadaveric hand.**

Director: Christopher J. Miller, MD, FACMS

6:00 – 8:00 pm

Fellows-in-Training Mohs Surgery Histotechnology & Lab Set up Workshop
(Non-CME Workshop)
$75.00 registration fee
A high-quality microscopic slide is critical for complete diagnostic interpretation, resulting in optimal patient care. This workshop will cover grossing/mapping, embedding, hands-on cryosectioning and routine staining. How does the surgical component affect the laboratory outcome? We will also discuss lab set up, including the CLIA application process.

Director: Linda Cesario, DPM, HT (ASCP)

Scientific Program – Thursday, May 3

7:00 – 8:15 am
Concurrent Morning Mini-Sessions

103.1 Eyelid and Periocular Reconstruction ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Develop reproducible strategies for minimization of eyelid displacement and scarring;
2) Describe methods of flap and graft design and execution that enhance tissue delivery and vascular perfusion;
3) Detect key anatomic landmarks and dissection planes for pedicled and interpolation flaps of the eyelid.

John G. Albertini, MD, FACMS; Joseph F. Sobanko, MD, FACMS

103.2 Non-melanoma Skin Cancer Staging
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Identify high-risk features of non-melanoma skin cancers;
2) Categorize non-melanoma skin cancers by different staging systems;
3) Utilize appropriate management strategies for high-stage non-melanoma skin cancers.

Emily S. Ruiz, MD, MPH

103.3 Starting a Mohs Practice: What to do
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Identify needs of Mohs suite;
2) Arrange effective implementation and maintenance of lab and surgical suites;
3) Plan for execution of daily operations.

Mary Stevenson, MD; Agnieszka K. Thompson, MD

103.4 Anticoagulants and the Mohs Patient
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Distinguish between the most commonly used traditional and novel antplatelet and anticoagulant medications and their mechanisms of action;
2) Identify common non-prescription supplements that contribute to increased bleeding during surgery;
3) Compare the risk of surgical bleeding complication associated with different prescription and non-prescription medications and supplements;
4) Explain the pre-, peri-, and post-operative management of patients taking medications that increase risk for bleeding and how to manage potential complications.

Elise Ng, MD

103.5 Refining Staged Repair Techniques ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Describe modifications to improve cosmetic and functional outcomes of staged reconstructions;
2) Identify and avoid common pitfalls with staged surgical reconstructions.

Mariah R. Brown, MD, FACMS; Todd E. Holmes, MD, FACMS

8:30 – 9:00 am
Welcome & AAD Update
(0.50 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify the activities of the ACMS and its many committees;
2) Recognize the AAD’s strategic focus and some of the activities in place to advance it;
3) Recognize the challenges and opportunities that the ACMS and AAD will face in the coming year.

Allison T. Vidimos, MD, RPh, FACMS, ACMS President; John A. Carucci, MD, PhD, FACMS, Scientific Program Chair; Suzanne Olbricht, MD, FACMS, AAD President-Elect

9:00 – 9:45 am
Literature Review
(0.75 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify the most important articles published in the last year most relevant to dermatologic surgery;
2) Examine articles pertaining to advances in the care of nail disease and melanoma;
3) Apply newly gained knowledge to improve patient care.

Moderators: Jerry D. Brewer, MD, FACMS; Naomi Lawrence, MD, FACMS

Speaker: Nathaniel J. Jellinek, MD, FACMS

9:30 am – 7:30 pm
Exhibit Hall Open

9:45 – 10:00 am
Break
(CME Not offered)
Scientific Program – Thursday, May 3

10:00 – 11:00 am

Tromovitch Award Abstract Session

*(1.00 Credit Hour)*

At the conclusion of this session, participants should be able to:
1) Identify recent advances in cutaneous oncology and pathology;
2) Recognize the current state of the practice of Mohs surgery;
3) Recall young investigators’ research and scholarly activities.

*Moders: Cerrene N. Giordano, MD (2017 Tromovitch Award Abstract Winner); Michel A. McDonald, MD, FACMS (2017 Scientific Program Chair)*

---

11:00 am – 12:00 pm

Working with Your Radiation Oncologist

*(1.00 Credit Hour)*

At the conclusion of this session, participants should be able to:
1) Describe indications for radiotherapy in treating patients with non-melanoma skin cancers;
2) Review various techniques of radiotherapy and their respective side effect profiles;
3) Explore limitations to radiotherapy in high-risk disease and highlight opportunities for incorporating additional therapies.

*Moderator: Allison T. Vidimos, MD, RPh, FACMS*
*Guest Speaker: Shlomo Koyfman, MD*

---

12:00 – 1:00 pm

Networking Lunch (provided)

*(CME Not Offered)*

Enjoy lunch and the time to network with your colleagues!

---

1:00 – 1:45 pm

Video Reconstruction ♦

*(0.75 Credit Hour)*

At the conclusion of this session, participants should be able to:
1) Develop an approach that allows consideration and stratification of a variety of reconstructive options;
2) Identify nuances of flap design and execution that can help lead to consistent and predictable outcomes;
3) Incorporate surgical techniques into their repertoire to improve patient outcomes.

*Moders: Jerry D. Brewer, MD, FACMS; Juan-Carlos Martinez, MD, FACMS*
*Speakers: Earl E. Bain, Ill, MD; Christopher J. Miller, MD, FACMS; John A. Zitelli, MD, FACMS*

♦ Represents advanced expertise level course

---

1:45 – 2:30 pm

Novel Approaches to Aggressive Skin Cancers

*(0.75 Credit Hour)*

At the conclusion of this session, participants should be able to:
1) Describe recent advances in the management of patients with metastatic Merkel cell carcinoma, including the use of immune checkpoint inhibitors;
2) Recall the role of alternative dosing regimens with hedgehog inhibitors with regard to tumor response, patient tolerability and adverse events.

*Moders: Scott W. Fosko, MD, FACMS; Stanley J. Miller, MD, FACMS*
*Guest Speaker: Anna Pavlick, DO*

---

2:30 – 3:15 pm

High-Risk Tumors ♦

*(0.75 Credit Hour)*

At the conclusion of this session, participants should be able to:
1) Identify highest risk tumors;
2) Select appropriate workup and treatment algorithms;
3) Manage patients with high risk disease through multimodal approach.

*Moders: Sarah T. Arron, MD, PhD, FACMS; Mary Stevenson, MD*

---

3:15 – 4:15 pm

Clinical Pearls Abstract Session

*(1.00 Credit Hour)*

At the conclusion of this session, participants should be able to identify new research developments in Mohs surgery and oncology.

*Moders: Matthew C. Fox, MD, FACMS; Siegrid S. Yu, MD, FACMS*
Scientific Program – Thursday, May 3

4:15 – 5:15 pm

Cost vs. Value in Treating Skin Cancer
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Quantify the burden of skin cancer in the United States;
2) Quantify current spending stratified by cancer type and treatment modality;
3) Contrast the cost vs. value of skin cancer treatment modalities.

Moderators: Emily S. Ruiz, MD, MPH; Chrysalyne D. Schmults, MD, MSCE, FACMS

Speakers:
Burden of Skin Cancer in United States
Marta J. VanBeek, MD, FACMS

Skin Cancer Resource Allocation
Emily S. Ruiz, MD, MPH

Cost vs. Value in Skin Cancer Treatment Modalities
Brett M. Coldiron, MD, FACP, FACMS

Cost vs. Value in Skin Cancer Treatment Modalities
John A. Zitelli, MD, FACMS

5:30 – 7:30 pm

Exhibit Hall Grand Opening & Welcome Reception
(CME Not offered)
Don’t miss this chance to relax and unwind with colleagues. Hors d’oeuvres and beverages will be provided for your enjoyment.

Scientific Program – Friday, May 4

7:00 – 8:15 am

Concurrent Morning Mini-Sessions

202.1 Reconstruction of the Columella and Soft Triangle ♦

(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Utilize single-stage reconstructions to repair operative wounds of the nasal supratip;
2) Tailor your paramedian forehead flaps and cheek to nose flaps to repair the thin, delicate areas of the distal nose and soft triangle;
3) Learn to use cartilage judiciously when reconstructing the soft triangle and columella.

Glenn D. Goldman, MD, FACMS

202.2 IHC during Mohs

(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Discuss the advantages, indications, and expanding role of immunohistochemical stains in Mohs micrographic surgery for melanoma and non-melanoma skin cancer;
2) Select proper clinical and histologic scenarios where special stains may assist in tumor diagnosis and extirpation and identify where potential pitfalls in their use may occur;
3) Identify the key laboratory components and staffing personnel that are essential for developing an in-house immunostain lab.

Thuzar M. Shin, MD, PhD; Summer R. Youker, MD, FACMS

202.3 Evidence-Based Patient Safety in Dermatologic Surgery

(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Cite the indications for preoperative antibiotics in dermatologic surgery;
2) Describe measures to prevent wrong site surgery, and to protect physicians and patients from exposure to surgical smoke;
3) Recall the literature regarding perioperative anticoagulant use, and clean versus sterile technique in dermatologic surgery, pain management and the safe use of electrosurgery with implantable devices.

Jesse M. Lewin, MD; Joshua Trufant, MD

202.4 Perioperative Considerations for Mohs Surgery: Innovations in Care Delivery

(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Describe useful technology or telehealth strategies for Mohs surgery and how it impacts the patient experience;
2) Identify advances in patient-centered surgical care and learn how to measure patient values, preferences, and outcomes;
3) Compare recently developed or trending methods for skin closure and wound care, including topical adhesives and skin closure systems.

Hillary Johnson-Jahangir, MD, PhD, FACMS; Rajiv I. Nijhawan, MD; Anthony Rossi, MD, FACMS

8:30 – 9:30 am

Scientific Abstract Session

(1.00 Credit Hour)
At the conclusion of this session, participants should be able to identify new research developments in Mohs surgery and oncology.

Moderators: Naomi Lawrence, MD, FACMS; Teresa Soriano, MD, FACMS

9:30 – 10:15 am

Public Health and Dermatology – Preventing Skin Cancer

(0.75 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Name the core public health functions as they apply to skin cancer;
2) Describe the components of the public health model;
3) Identify the main public health successes as they apply to skin cancer prevention.

Keynote Speaker: Boris D. Lushniak, MD, MPH

♦ Represents advanced expertise level course

4:00 – 4:45 pm

**EHR: Managing the Many Images & Navigating Electronic Documenting**  
(0.75 Credit Hour)

At the conclusion of this session, participants should be able to:
1) Assess approaches to managing images from multiple electronic technologies;
2) Identify electronic documenting requirements within MIPS or advanced APM programs;
3) Better apply one’s information technology (IT) to facilitate patient care and reduce burnout.

*Moderator: Erin S. Gardner, MD, FACMS*

4:45 – 5:30 pm

**Transplant Oncology Update**  
(0.75 Credit Hour)

At the conclusion of this session, participants should be able to:
1) Describe pre- and post-operative management of aggressive skin cancer including the management of BAPoma lesions and SCC in immunosuppressed patients;
2) Explain the use of adjuvant systemic therapies in the immunosuppressed patient;
3) Review scientific contribution to our understanding of best management of melanoma in organ transplant patients.

*Moderators: Matthew C. Fox, MD. FACMS; Fiona O. Zwald, MD, MRCPI, FACMS*  
*Speakers: Justin J. Leitenberger, MD, FACMS; Ashley Wysong, MD, MS*

5:45 – 6:45 pm

**Program Directors’ Session**  
(Non-CME session)

6:45 – 8:00 pm

**Fellows-in-Training Reception**  
(CME Not offered) See p. 4 for details

### Pre-meeting Hand & Nail Workshop

**Wednesday, May 2 • 1:00 – 4:00 pm**  
Location: Northwestern University Simulation Lab (shuttle service provided)  
*(Non-CME Workshop, for ACMS Members only)*

$375.00 registration fee

*Space is limited to 40 registrants and granted on a first-come, first-served basis, with 2 participants per cadaveric hand.*

Directed by Dr. Christopher Miller, this workshop is geared toward all nail surgeons, from beginner and intermediate to advanced levels. It offers small group, hands-on experience practicing a variety of nail surgery techniques. Participants will be instructed on:

- How to avulse the nail in several fashions (partial and complete)
- Perform multiple different nail procedures (including punch, shave, longitudinal techniques)
- Treat nail melanoma with en bloc excision of all nail tissues and perform nail flaps *(for those with more advanced background)*

Approaches to patient assessment, including surgical planning, equipment/suture selection, and anatomical considerations to optimize outcomes will be covered. Anatomy as it relates to safe surgical technique will be stressed. Fresh frozen cadaveric hands that allow for realistic hands-on practice will be utilized.

*Represents advanced expertise level course*
Scientific Program – Saturday, May 5

7:00 – 8:15 am

Concurrent Morning Mini-Sessions

302.1 Managing Merkel Cell, EMPD, Sebaceous Carcinoma and Less Common NMSC ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Review evaluation, work-up and treatment options of uncommon skin tumors;
2) Discuss management of advanced tumors;
3) Discuss a multidisciplinary approach to managing rare skin cancers.
Allison M. Hanlon, MD, PhD, FACMS; Eva A. Hurst, MD, FACMS; Siegrid S. Yu, MD, FACMS; Nathalie C. Zeitouni, MD, FACMS

302.2 Managing Tension in the Periocular Region during Reconstruction ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Describe and assess the tensional forces around the eye;
2) Design flaps and use suspension sutures to optimize tension;
3) Correct ectropion and webbing.
Andrea Willey, MD, FACMS

302.3 Cheek Reconstruction Tips
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Refine techniques for linear closure on the cheek;
2) Select appropriate flaps and design for cheek defects to avoid pull on free margins;
3) Describe facial anatomy relevant to cheek reconstruction and incorporate pearls from face lifting into cheek repairs.
Anna A. Bar, MD, FACMS; Cameron Chesnut, MD; Justin J. Leitenberger, MD, FACMS

302.4 Approach to Managing Wounds of the Face, Scalp, Neck, Hands, Legs and Feet
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Describe multiple approaches to the management of surgical wounds on the head, neck and extremities;
2) Select an appropriate management option for a particular wound to maximize functional and aesthetic outcomes;
3) Plan and execute repairs with techniques that increase the chances of success.
S. Tyler Hollmig, MD; Jesse M. Lewin, MD; Joshua Trufant, MD

302.5 Scar Revision
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Assess the most common types of scar abnormalities after dermatologic surgery;
2) Identify the available modalities to improve surgical scars;
3) Implement scar revision techniques for common post-operative complications.
Mariah R. Brown, MD, FACMS; David R. Carr, MD, FACMS

8:30 – 9:30 am

Optimizing Results in Nail Surgery ♦
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Apply pearls for performing nail surgery that will enhance the surgical experience for the patient and physician;
2) Select appropriate surgical technique for evaluating melanonychia and erythronychia;
3) Apply principles of Mohs surgery for management of various tumors of the nail unit.
Moderators: Elizabeth M. Billingsley, MD, FACMS; Nathaniel J. Jellinek, MD, FACMS
Speakers: Brienne Cressey, MD; Thomas J. Knackstedt, MD; Thuzar M. Shin, MD, PhD

9:30 – 4:00 pm

Exhibit Hall Open

9:30 – 10:15 am

Multidisciplinary Care of Complex Tumors ♦
(0.75 Credit Hour)
Moderator: Murad Alam, MD, MSCI, MBA, FACMS

10:15 – 10:30 am

Break
(CME Not offered)
Scientific Program – Saturday, May 5

10:30 – 11:15 am

Case-Based Coding
(0.75 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Accurately bill for multiple sites and multiple procedures on the same day;
2) Document effectively to persevere when audited;
3) Identify changes to CPT for 2018.
Moderator: Glenn D. Goldman, MD, FACMS
Speaker:

Improving Wisely
John G. Albertini, MD, FACMS

11:15 am – 12:00 pm

Mohs, MIPS & MACRA: Let’s Drive this Train and Own Our Future
(0.75 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Determine how MACRA affects the average Mohs surgery practice;
2) Identify opportunities for ACMS to be the leader in identifying quality benchmarks;
3) Delineate how a Mohs surgery practice can position itself for the next iteration of healthcare.
Moderator: Marta J. VanBeek, MD, FACMS

12:00 – 1:00 pm

Lunch in the Exhibit Hall
(CME Not offered)

1:00 – 2:00 pm

Video Session: Reconstructive Options for Mohs Surgeons
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Define tactical approaches to reconstructing facial defects with a variety of closure techniques;
2) Develop an approach enabling favorable reconstructive solutions to complex defects with high functional and aesthetic relevance;
3) Develop the ability to execute multiple reconstructive options for specific defects resulting from skin cancer removal.
Moderators: Andrew J. Kaufman, MD, FACP, FACMS; Thomas E. Rohrer, MD, FACMS

3:00 – 3:15 pm

Break
(CME Not offered)

2:00 – 3:00 pm

Reconstruction Conundrums: Simple vs. Complex ♦
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Select appropriate closures for common Mohs defects in cosmetically sensitive locations;
2) Describe pros and cons of using simple techniques vs. complex flaps for reconstruction;
3) Recall the need to tailor each repair not only to the defect, but also to each individual patient’s needs and expectations.
Moderators: Anna A. Bar, MD, FACMS; Desiree Ratner, MD, FACMS
Speakers:

Nose:
Heidi B. Donnelly, MD, FACMS (Simple)
Paul J. M. Salmon, MD, FACMS (Complex)

Ear:
Marc D. Brown, MD, FACMS (Simple)
Ian A. Maher, MD, FACMS (Complex)

Chin:
Glenn D. Goldman, MD, FACMS (Simple)
David G. Brodland, MD, FACMS (Complex)

3:00 – 3:15 pm

Break
(CME Not offered)
Scientific Program – Saturday, May 5

3:15 – 4:15 pm

Establishing the ACMS Registry
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) State the goals of the ACMS Registry;
2) Describe the role of subspecialty level data in the formation of Performance and Quality Measures;
3) Enumerate the importance of subspecialty data and Performance Measures in preparation for Value Based Payment and Alternative Payment Models.

Moderators: Ian A. Maher, MD, FACMS; Howard W. Rogers, MD, PhD, FACMS

Speakers:
Registry Basics: What, Why, and How?
Ian A. Maher, MD, FACMS
Understanding Payment and Data
Howard W. Rogers, MD, PhD, FACMS
Registry and EHRs: Making Data Collection Work for the Provider
Spencer Heaton, MD, MBA

4:15 – 5:00 pm

Rapid Pearl Abstract Session
(0.75 Credit Hour)
At the conclusion of this session, participants should be able to recall anecdotal pearls in Mohs surgery technique, frozen section pathology, reconstructive surgery, and practice management.

Moderators: Jesse M. Lewin, MD; Faramarz H. Samie, MD, PhD, FACMS

6:00 – 10:00 pm

50th Anniversary Reception
(CME Not offered) See below for details.

50TH ANNIVERSARY CELEBRATION

Anniversary Reception
Saturday, May 5, 2018 • 6:00–10:00pm
Palmer House Hilton
17 East Monroe Street (transportation provided)
Join colleagues and special guests to celebrate the 50th Anniversary of the American College of Mohs Surgery and honor the rich legacy of Dr. Frederic Mohs. Enjoy cocktails and hors d’oeuvres amid the historic charm of the Palmer House Hilton, where the College’s first meeting was held in 1967.

50th Anniversary Commemorative Book
This custom, illustrated 80-page hardcover volume captures the genesis and evolution of Mohs surgery and the history of the College, including the perspectives of 10 key figures from founding to present. Books are available for purchase alongside meeting registration online, and can also be purchased and picked up at the Registration Desk on site. One book per registrant; additional copies may be available if quantities allow.

www.mohscollege.org/annualmeeting

♦ Represents advanced expertise level course
Scientific Program – Sunday, May 6

7:30 – 8:30 am

Digital Diagnostic Quality Control Exam Review
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Recognize the false positives and false negatives in Mohs histopathology sections;
2) Improve dermatopathology skills to help distinguish benign findings from malignant processes;
3) Recognize errors in frozen-section tissue processing.
Moderator: Sumaira Z. Aasi, MD, FACMS
Speakers: Bryan T. Carroll, MD, PhD, FACMS; S. Tyler Hollmig, MD; Vitaly Terushkin, MD; Valencia D. Thomas, MD, FACMS; Yaohui G. Xu, MD, PhD, FACMS

8:30 – 8:45 am

Fellow-in-Training Clinicopathologic Case Competition Award Winner
(0.25 Credit Hour)
At the conclusion of this session, participants should be able to recall an uncommon or rare pathology or that illustrate prototypical diagnostic challenges and keys to diagnosis or tumor detection.
Moderator: Allison T. Vidimos, MD, RPh, FACMS

8:45 – 9:45 am

Melanoma Update
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Contrast the new 8th edition American Joint Committee on Cancer (AJCC) staging for melanoma with the previous staging system;
2) Describe the current management of patients with stage III melanoma, based on results of the Multicenter Selective Lymphadenectomy Trial (MSLT) II and recent advances in adjuvant therapy.
Moderators: Christopher K. Bichakjian, MD, FACMS; Kishwer S. Nehal, MD, FACMS

9:45 – 10:45 am

Practical Pre- and Post-Op Considerations for Mohs Surgery
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Describe strategies to manage pain and anxiety related to Mohs surgery in the opioid epidemic era;
2) Learn to analyze prescribing patterns and optimize prescription medication use before and after Mohs surgery;
3) Define patient population segmentation and considerations for the advanced elderly.
Moderator: Hillary Johnson-Jahangir, MD, PhD, FACMS

10:45 – 11:00 am

Break
(CME Not offered)

11:00 am – 12:00 pm

MOC Self-Assessment: Skin Cancer
(Non-CME session)
At the conclusion of this session, participants should be able to:
1) Define the appropriate work-up and management for patients with certain types or risk factors for skin cancer;
2) Identify appropriate surgical and pharmacologic management options for patients with skin cancer as well as mechanisms of action and side effects of the pharmacologic agents;
3) Recognize the necessary components for self-assessment submission in the Maintenance of Certification program through the American Board of Dermatology.
Moderator: Deborah F. MacFarlane, MD, MPH, FACMS

12:00 pm

Meeting adjourns

♦ Represents advanced expertise level course
You are encouraged to visit the technical exhibits during the ACMS Annual Meeting. A variety of companies of interest to Mohs surgeons will be displaying their products, equipment, and services. Please be sure to visit the exhibit hall to learn about their quality offerings. A complete list of exhibitors, product descriptions, and a locator map will be included in the Annual Meeting mobile app and in the Final Program.

View full exhibitor descriptions on the Sponsors & Exhibitors tab of www.mohscollege.org/annualmeeting
ACMS Registration Form

REGISTER ONLINE WITH A CREDIT CARD!

Go to: http://www.mohscollege.org/annualmeeting/registration

Early Registration Deadline: January 31, 2018 @ 11:59 pm PST

$50 additional fee for ACMS registrations after this date through March 30, 2018

REGISTRATION FORM (not valid if received after March 30, 2018)

Please print clearly. A separate form must be completed for each registrant.

SPECIAL ACCOMMODATIONS

☐ Yes, I (the registrant) require an auxiliary aid or service identified in the Americans with Disabilities Act.

Explain: ______________________________________________________________________________________________________________________

If you have a religious or food allergy-related dietary need, please check the appropriate box below. Vegetarian options will be available at all functions. Please do not include food preferences.

☐ Yes, I (the registrant) require specially-prepared food at group functions: ☐ Kosher ☐ Halal ☐ Food Allergy/Other

☐ No Dietary Restrictions

Other: _________________________________________________________________________________________________________________________

REGISTRATION CATEGORIES AND FEES

(NOTE: The registration fee does not include admission to Morning Mini-Sessions. Registrants must sign up for these sessions separately and pay the extra fee for each Morning Mini.)

**MORNING MINI-SESSIONS**

**Thursday, May 3 – 7:00 to 8:15 am**
- 103.1 Eyelid and Periocular Reconstruction
- 103.2 Non-melanoma Skin Cancer Staging
- 103.3 Starting a Mohs Practice: What to do
- 103.4 Anticoagulants and the Mohs Patient
- 103.5 Refining Staged Repair Techniques

**Friday, May 4 – 7:00 to 8:15 am**
- 202.1 Reconstruction of the Columella and Soft Triangle
- 202.2 IHC during Mohs
- 202.3 Evidence-Based Patient Safety in Dermatologic Surgery
- 202.4 Perioperative Considerations for Mohs Surgery: Innovations in Care Delivery
- 202.5 Management of Extensive Field Disease

**Saturday, May 5 – 7:00 to 8:15 am**
- 302.1 Managing Merkel Cell, EMPD, Sebaceous Carcinoma and Less Common NMSC
- 302.2 Managing Tension in the Periocular Region during Reconstruction
- 302.3 Cheek Reconstruction Tips
- 302.4 Approach to Managing Wounds of the Face, Scalp, Neck, Hands, Legs and Feet
- 302.5 Scar Revision

Payment may be made by check or credit card. Check payments, payable to the ACMS, should be made in U.S. dollars only (allow 7 additional days for processing). Send checks and completed registration form to ACMS, 2018 Annual Meeting Registration, 555 East Wells Street, Suite 1100, Milwaukee, WI 53202.

For credit card payments:

Print name as it appears on card

☐ Visa  ☐ MasterCard  ☐ American Express  ☐ Discover

Card #:__________________________________________  Expiration date:____________________

Signature _______________________________________________________________________________________

Registrations paid by credit card may either be mailed to the ACMS, 2018 Annual Meeting Registration, 555 East Wells Street, Suite 1100, Milwaukee, WI 53202, or faxed (make sure both sides of form are faxed) to (414) 276-2146. For questions about registration, please call (414) 347-1103 or email info@mohscollege.org. Cancellations before end of day February 28, 2018 will be refunded all registration fees minus a $200.00 administration fee. Refunds will not be given after that date.
The 2018 American Society for Mohs Histotechnology Annual Meeting will take place concurrently with the ACMS Annual Meeting at the Hilton Chicago on Friday, May 4 and Saturday, May 5.

Program Details at www.mohstech.org/annual-meeting

- General sessions
- Cryostat and immunohistochemistry workshops
- Speakers
- Special events

**ASMH Annual Meeting Pre-Conference Histotechnology Workshops**

Thursday, May 3, 2018
Learn more at www.mohstech.org/annual-meeting

**1-1/2 hour workshops:**
- IHC Phase I – IHC: Where Do I Begin?
- IHC Phase II – The Technique of Immunohistochemistry
- Tricks for Setting Up Your New Mohs Lab
- Theory and Procedures for Routine Staining of Mohs Slides
- More Mohs, More Mohs, More Mohs
- Implementing Procedure and Document Control in the Mohs Lab

**2-1/2 hour workshops:**
- Tipping Your Cap for CAP: Tips on How to Make Inspections Go Smoothly
- The A to Z of Mohs Procedures: Technical Guidance on Potential Pitfalls
- IHC Phase III – Immunohistochemistry Theory and Details for the IHC Lab
- CLIA

**Cost:**
- 1-1/2 hour workshops: $50 ASMH members, $75 non-members
- 2-1/2 hour workshops: $75 ASMH members, $125 non-members

Workshop attendees are eligible for CEUs through the National Society for Histotechnology, in addition to CEUs from the General Session/Workshops during the Annual Meeting.

Please encourage your tech to attend this valuable educational gathering. Contact info@mohstech.org or (414) 918-9813 with questions.

**Friday, May 4**
- 7:00 – 7:30 am Continental Breakfast
- 7:30 – 9:45 am General Session 1
- 10:00 am – 12:00 pm General Session 2
- 12:00 – 1:00 pm Lunch in Exhibit Hall
- 1:00 – 3:30 pm General Session 3
- 3:30 – 5:00 pm Workshop - Beginner Cryostat
- 3:30 – 5:00 pm Workshop - IHC Phase I – IHC: Where Do I Begin?
- 5:00 – 6:30 pm Networking Reception

**Saturday, May 5**
- 7:00 – 8:30 am Advanced Cryostat
- 7:00 – 8:30 am Workshop – IHC Phase II – The Technique of Immunohistochemistry
- 8:45 – 9:45 am ASMH Business Meeting and Breakfast
- 9:45 am – 12:00 pm General Session 4
- 12:00 – 1:00 pm Lunch in the Exhibit Hall
- 1:00 – 2:30 pm General Session 5
- 2:45 – 4:30 pm General Session 6
- 4:30 pm Meeting adjourned

www.mohstech.org/annual-meeting

NOTE: ASMH Annual Meeting registration is now open. Members have been notified via email and will receive a Preliminary Program in the mail. Prospective ASMH attendees should NOT use the ACMS Registration link to register for the ASMH meeting.
