D. Acknowledgement of Responsibilities

As a Program Director, I acknowledge that by accepting a fellow for training, I am entering into a binding written contract with that fellow and will be responsible for fulfilling the terms thereof.

I further acknowledge that I am solely responsible for each fellow's completion of his or her training. I release the Site Inspection & Slide Review Board, LLC (SISRB) and the American College of Mohs Surgery (ACMS), its officers, directors, shareholders, members, or agents from all responsibility relating to each fellow's training. I indemnify and hold the SISRB and ACMS harmless for all damages resulting from the program in which I am the Director.

I agree to maintain in confidence and not disclose to, or discuss with, any other party any statements or decisions made by the FTC or site visitor or otherwise any information regarding the application review or site visit, other than whether the application or program has been approved. This agreement applies both to new applications for approval and continuations of approval by the SISRB.

E. Additional information required*

A case log of all cases performed by the Director in the previous twelve month period must be submitted. You may use the SISRB/ACMS case log form or your own format as long as all items are included. The log must contain: patient identification number/initials (*do not include names*), date, tumor type and anatomic site, pre-op size, post-op size, and number of stages, and type of repair. In addition to the log, 50 complex Mohs cases and 50 complex reconstructions must be submitted with a brief narrative summary (operative reports, maps, etc.). To help with this process, the SISRB has developed a Complex Case Checklist that is available on the Web site with the other Fellowship Training Faculty Application information.

You are also required to attach a typical schedule for fellow's educational activities while in the program, a current curriculum vitae citing recent academic pursuits, and a Fellowship Training Program Number of Cases Form.

The entire application must be submitted in electronic format (PDF/Excel spreadsheet).

An application fee of \$500 must be submitted for the Director. If Associate Director and/or Surgical Faculty application(s) are submitted simultaneously with a Director application, no fee is charged for the additional applications.

**Consult the ACMS Policies, Procedures and Guidelines for details.*
