Christopher B. Harmon, MD, FACMS, Chair
**Site Inspection & Slide Review Board, LLC (An ACMS subsidiary)**
**Fellowship Training Committee**
Christopher J. Arpey, MD, FACMS, Chair
President’s Message

Dear Colleagues,

On behalf of the Board of Directors, I invite you to attend the 49th Annual Meeting of the American College of Mohs Surgery taking place in San Francisco from Thursday, April 27 through Sunday, April 30, 2017 at the Hilton San Francisco Union Square.

The Scientific Program Committee has worked to craft a program that focuses on the varied topics you’ve indicated a desire to learn more about, from closures and reconstruction techniques to lab management and Mohs for melanoma, to name just a few.

As the meeting approaches, I urge you consider not only its educational value, but also its relational value. It’s no secret that ever since our time in residency and fellowship training programs, we’ve learned as much or perhaps more from each other as we have from myriad meetings, certification exams, or case studies in the literature. The Annual Meeting is one of the few times we have each year to reconnect with our colleagues, discuss important issues facing our practices and the specialty, and remember what every little tip and trick learned adds up to: Better patient care. Better outcomes. Better lives.

While it’s true that attending the Annual Meeting at least once every three years is a requirement of membership, we also know it’s much more than that. The interaction we share at the meeting makes us better surgeons but also makes us stronger members of the College, who better understand the issues facing our specialty and the house of medicine as a whole.

I want to offer my sincere thanks to Dr. Michel McDonald, chair of the Scientific Program Committee, for leading the development of a curriculum that includes something for everyone. Thanks also to Jeremy Bordeaux and his CME and Education Committee for their planning contributions, and to the ACMS staff for their deeply appreciated work on so many details.

Just as there has been a steady rise in the incidence of skin cancer nationwide, so has there been a rise in the number of available treatment options. We know it, referring physicians know it, and increasingly informed patients know it. There has never been a more important time than now to showcase how and why Mohs surgery is the gold standard for skin cancer treatment. We do this by coming together, learning, and carrying that knowledge into the field as ambassadors.

I hope you’ll join me, the Board of Directors, the hardworking committee and task force members, staff, and colleagues in San Francisco for what will be another great Annual Meeting.

Sincerely,

Thomas Stasko, MD, FACMS
2016-17 ACMS President
Program Chair’s Message

Dear Colleagues,

I’m honored to invite you to the 2017 ACMS Annual Meeting in San Francisco. The Program Committee and other ACMS members have created a curriculum that meets the high standard of excellence you expect, and that represents our diverse experiences as dermatologists. Some highlights include:

• The popular Morning Mini-Sessions will allow you to tailor the meeting curriculum to your specific interests in cutaneous oncology, reconstruction, pathology, preoperative evaluation, and more.

• Due to the success of the “Rapid Pearls” abstract session, we will again have members present two-minute tips to improve Mohs surgery technique, frozen section pathology, reconstructive surgery, and practice management.

• Two highly experienced guest speakers will broaden our perspectives by addressing challenges highly relevant to our surgical practice: Dr. Vasu Divi will discuss Multidisciplinary Care of Complex Tumors, and Dr. Nirusha Lachman will cover Integrating Anatomy into Everyday Practice.

• The Annual Business Meeting will inform you on issues of great importance to our specialty and the future of medicine.

• Plenary sessions will feature highly engaging content on a variety of topics relevant to both younger and more experienced surgeons, and will surely instigate continued conversation during multiple opportunities for social interaction.

I would like to thank our President, Tom Stasko, as well as the Scientific Program Committee and so many valued colleagues whose thoughtful ideas helped shape this year’s meeting. Special thanks goes to the ACMS staff for its focus on hundreds of details that make the meeting such an enriching experience for all of us.

I’m excited to see you in San Francisco!

Sincerely,

Michel A. McDonald, MD, FACMS
Chair, 2017 Scientific Program Committee

**Digital Diagnostic Quality Control Exam**

The Diagnostic Quality Control Exam is entirely online. This allows for more flexibility to review the slides at the meeting, and allows completion of the exam before and after meeting. Instructions for accessing the digital DQC exam will be sent via the email address used for registration prior to the Annual Meeting. Access to the Diagnostic Quality Control Exam is $50 for ACMS members and free to fellows-in-training. Only ACMS members who register for the exam and complete it online will receive a certificate. Certificates are mailed approximately 4-6 weeks after the meeting. CME credit is not offered for taking the digital Diagnostic Quality Control Exam.

### Special Events

**Thursday, April 27**

5:30 – 7:30 pm Exhibit Hall Grand Opening & Welcome Reception

Don’t miss this chance to relax and unwind with colleagues. Hors d’oeuvres and beverages will be provided for your enjoyment.

**Friday, April 28**

12:15 – 2:00 pm ACMS Annual Business Meeting & Lunch

ACMS members are encouraged to attend the annual membership business meeting and lunch. This important meeting brings members up-to-date on issues of significance. The winners of the prestigious Frederic E. Mohs Award and Distinguished Service Award will be announced.

**Saturday, April 29**

6:45 – 7:30 pm Reception Introducing Fellows-in-Training

Exclusively for ACMS & ACGME program directors and current fellows-in-training, this event offers the opportunity to network and socialize with each other and congratulate the fellows-in-training on their upcoming graduation. The winner of the Tromovitch Award will be announced and hors d’oeuvres and beverages will be provided.

**Sunday, April 30**

11:00 am – 12:00 pm MOC Self-Assessment Session: Office Safety

The ACMS is offering a MOC Self-Assessment, which satisfy a portion of the self-assessment module of Component 2 in Maintenance of Certification with the American Board of Dermatology (ABD). Participants must complete the MOC Credit Form, available in the session on Sunday and return it to the ACMS Registration Desk. You must also update your ABD MOC tables to reflect the credits available for the session. Note: If you claimed MOC credits for ‘MOC: Office Safety’ at a previous ACMS Annual or Regional Meeting, you cannot claim MOC credits for ‘MOC: Office Safety’ at the 2017 Annual Meeting.

Registration Information

Early Registration
Receive $50 off your registration fee by registering early. To receive the discount, your registration must be received at the ACMS Office by February 16, 2017.

Registration Confirmation Emails
Registrants who mail or fax their registration will receive confirmation via email approximately two to three weeks after their registration and payment is received at the ACMS Office. Those registering for the Annual Meeting online will receive a confirmation almost immediately via email. Please print the confirmation and bring it with you to the meeting to help facilitate your registration process.

On-Site Registration
Pre-registration must be received by the ACMS Office on or before March 31, 2017. The office will not accept any registrations after March 31 and will require you to register and pay on site. The registration desk will be open at the Hilton San Francisco Union Square on the following days and times (subject to change):
- Wednesday, April 26: 1:00 – 6:00 pm
- Thursday, April 27: 6:30 am – 5:00 pm
- Friday, April 28: 6:30 am – 5:00 pm
- Saturday, April 29: 6:30 am – 4:00 pm

Cancellations and Refunds
Registration fees, minus a $200 administration fee, will be refunded upon written notice of cancellation if the request is received at the ACMS Office no later than February 28, 2017. Email info@mohscollege.org or fax (414) 276-2146. Refunds will not be given after that date.

CME Information and Learning Objectives

Accreditation Statement
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the sponsorship of the American College of Mohs Surgery (ACMS). The ACMS is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement
The ACMS designates this live activity for a maximum of 27.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistant Credit
The American Academy of Physician Assistants (AAPA) accepts AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME. Physician Assistants attending the Annual Meeting can submit certificates or transcripts showing how many physician CME credits were offered for an activity to the AAPA and get them “converted” to PA CME credit. The AAPA also grants and counts AMA PRA Category 1 Credit(s)™, but those are specifically for PAs and have to come from a provider accredited by the AAPA. Both groups label their credits Category 1 CME, but the labels, though they read the same, refer to different evaluations.

Disclosure of Conflicts of Interest
To comply with the ACCME Standards of Commercial Support on the need for disclosure and monitoring of proprietary and financial interests that may affect the scientific integrity and balance of content delivered in continuing medical education activities under our auspices. The ACMS requires that all CME certified activities be developed free from the control of a commercial interest and be balanced, objective, and scientifically rigorous. Anyone with the ability to affect the content of an educational activity must disclose relevant financial relationships with health organizations producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACMS will disclose faculty and commercial relationships at the Annual Meeting.

Disclosure of Discussion of Non-FDA Approved Uses for Pharmaceutical Products and/or Medical Devices
The ACMS requires that all faculty presenters identify and disclose any off-label uses for pharmaceutical and medical device products. The ACMS recommends that each physician fully review all the available data on new products or procedures prior to instituting them with patients.

Disclaimer
The views expressed and the techniques presented by the speakers of the ACMS-sponsored educational meetings are not necessarily shared or endorsed by the College. Anyone with the ability to affect the content of an educational activity must disclose relevant financial relationships with health organizations producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients, as well as any unapproved or off-label uses of medical devices or pharmaceutical agents that they discuss, describe, or demonstrate during their presentations. Meeting attendees should use their independent judgment in applying the information discussed in these educational sessions in the treatment of patients.

Learning Objectives
Upon completion of the Annual Meeting, participants will be able to describe the latest advances in the treatment of skin cancer, discuss recent research findings in the area of Mohs micrographic surgery and cutaneous oncology, and explain new techniques in reconstruction that promote optimal surgical outcomes.

Specific learning objectives, upon completion of the ACMS Annual Meeting, include:
• Design and execute routine and advanced reconstructions of the lip, nose, and ear;
• Describe current recommendations for diagnosis and treatment of melanoma, high-risk squamous cell cancer, Extramammary Paget’s disease and Merkel cell cancer;
• Identify key elements of surgical and laboratory procedures to develop complete and high-quality frozen section microscopic tissue samples;
• Recall the benefits and techniques involved in utilizing immunohistochemistry in the treatment of lentigo maligna and lentigo maligna melanoma;
• Refine reconstruction techniques to improve scars post Mohs micrographic surgery;
• Identify options for treatment of nonmelanoma skin cancer when the patient is not a candidate for the initial choice of treatment;
• Identify anatomic landmarks and integrate knowledge of those landmarks into the practice of Mohs micrographic surgery;
• Recognize potential errors in frozen section examination of skin cancers and develop ways to minimize those errors;
• Describe essential principles to optimize surgery of the nail unit;
CME Information and Learning Objectives

- Explain proper billing and coding practices for Mohs and reconstructive surgery;
- Maximize collaboration with surgical colleagues in other disciplines to improve patient outcomes postoperatively;
- Identify elements of the preoperative history that require management preoperatively;
- Review the most recent literature regarding solid organ transplant patients and the development of nonmelanoma skin cancer;
- Describe recent developments in the management of skin cancer in organ transplant recipients;
- Identify medications that increase nonmelanoma skin cancer risk and understand multidisciplinary approaches to modifying these medications.

Guest Speaker Biographies

**Vasu Divi, MD**

Dr. Divi joined the faculty at Stanford University in 2012 as an Assistant Professor, and currently serves as co-chair of the High-Risk Non-Melanoma Skin Cancer Working Group with ACMS member Dr. Sumaira Aasi. He is also Director of Head and Neck Microvascular Reconstruction and Director of the Head and Neck Surgery Fellowship at Stanford. Dr. Divi completed his medical education at the University of Michigan in 2004, graduating with Distinction in Academics and in Research. He remained at the University of Michigan for his Otolaryngology-Head and Neck Surgery residency, completing training in 2009. He then completed a fellowship at the Massachusetts Eye and Ear Infirmary and Harvard Medical School in Head and Neck Oncology, Microvascular Reconstruction, and Skull Base Surgery. Following the completion of his training, he returned to the University of Michigan from 2010 to 2012, where he was an active member of the Head and Neck Surgery faculty and worked closely with his colleagues in Cutaneous Oncology.

**Nirusha Lachman, PhD**

Dr. Lachman is a professor in the Department of Anatomy, College of Medicine with joint appointment in the Department of Surgery, Division of Plastic Surgery at Mayo Clinic. Her primary focus lies in integrating anatomy education for everyday practice, and she is one of few clinical anatomists in the world who works collaboratively on a daily basis with clinicians in a practice-based setting. In her 20-year career as a clinical anatomist, Dr. Lachman has contributed at least 57 scientific publications in peer reviewed journals, 16 book chapters and numerous abstract publications and national and international presentations.
The 2017 ACMS Annual Meeting will be held at:
Hilton San Francisco Union Square
333 O’Farrell Street, San Francisco, CA 94102
(415) 771-1400
www.hiltonsanfranciscohotel.com
• Only a few blocks from the Powell Street Station on the
  BART transit line
• Steps to the Theatre District and Chinatown
• Only 13 miles from San Francisco International Airport
  (SFO) and 13 miles from Metropolitan Oakland
  International Airport (OAK)
• Walking distance to the Cable Cars

Reservations
The ACMS secured the reduced nightly base room rate of
$259 for single/double occupancy. Rates are subject to state
and local taxes: an 8.75% sales tax and a 16.33% hotel
occupancy tax.
To receive this discounted rate you must identify yourself as
being with ACMS and must have already registered for the
2017 Annual Meeting.
Make your reservations early. These reduced group rates are
available only through Monday, April 6, 2017 or until sold
out. Reservation requests after the cut-off date will be based on
availability at the group rate.

By phone:
(415) 771-1400
Ask for “American College of Mohs Surgery Annual Meeting.”
Be sure you registered for the Annual Meeting and refer to the
group and meeting name when registering.

Online:
Visit www.MohsCollege.org/AnnualMeeting, click on the
Registration/Hotel tab, and click the Online Reservations link.
Hotel check-in time is 3:00 pm and check-out time is 12:00 pm.

Airport
San Francisco International Airport (SFO)
(13 miles South of Hilton Union Square)
(650) 821-8211
www.flysfo.com
Transportation from San Francisco International Airport
For information on numerous transportation options including
taxi shuttle car service or rentals, rapid rail, commuter rail,
buses, and more, visit the ’To & From SFO’ page at www.
flysfo.com/to-from/overview.

Driving Directions
From SFO Airport, take Highway 101 north and exit at 7th St.
Turn right on Folsom St. Then left on 5th St. Cross Market St.
and turn left on Ellis St. to Mason St. Garage entrance is on
Ellis St. between Mason & Taylor Streets.

Hilton San Francisco Union Square Parking
Rates excluding tax
Self-parking: $53.58 (Garage Parking)/Valet: $62.70 (Valet
Parking) (subject to change)

San Francisco Weather
Average during late April: High: 63°F, Low: 50°F

Special Note to the Physically Challenged
The ACMS wishes to ensure that no individual with a disability
is excluded, denied services, segregated, or otherwise treated
differently than other individuals because of auxiliary aids
and/or service(s). If you need an auxiliary aid or service(s)
identified in the Americans with Disabilities Act, or any
assistance in registering for this meeting, please contact the
ACMS Office:

555 East Wells Street, Suite 1100
Milwaukee, WI 53202
Hand & Nail Workshop

Wednesday, April 26 • 1:00 – 4:00 pm
Location: University of California, San Francisco (shuttle service provided)
(Non-CME Workshop, for ACMS Members only) $375.00 registration fee

Space is limited to 50 registrants and granted on a first-come, first-served basis, with 2 participants per cadaveric hand.

Directed by Dr. Nathaniel Jellinek, this workshop is geared toward all nail surgeons, from beginner and intermediate to advanced levels. It offers small group, hands-on experience practicing a variety of nail surgery techniques. Participants will be instructed on:

- How to avulse the nail in several fashions (partial and complete)
- Perform multiple different nail procedures (including punch, shave, longitudinal techniques)
- Treat nail melanoma with en bloc excision of all nail tissues and perform nail flaps (for those with more advanced background)

Approaches to patient assessment, including surgical planning, equipment/suture selection, and anatomical considerations to optimize outcomes will be covered. Anatomy as it relates to safe surgical technique will be stressed. Fresh frozen cadaveric hands that allow for realistic hands-on practice will be utilized.
**Invited Faculty and Guest Speakers**

Sumaira Z. Aasi, MD, FACMS, Stanford University School of Medicine, Redwood City, CA

Murad Alam, MD, MSCI, MBA, FACMS, Northwestern University/Dermatology, Chicago, IL

John G. Albertini, MD, FACMS, The Skin Surgery Center, Winston-Salem, NC

Christopher J. Arpey, MD, FACMS, Mayo Clinic Rochester, Rochester, MN

Sarah T. Arron, MD, PhD, FACMS, UCSF, San Francisco, CA

Anna A. Bar, MD, FACMS, Oregon Health & Science University, Portland, OR

Christian L. Baum, MD, FACMS, Mayo Clinic Rochester, Rochester, MN

Richard G. Bennett, MD, FACMS, St. John’s Medical Plaza, Santa Monica, CA

Christopher K. Bichakjian, MD, FACMS, University of Michigan, Ann Arbor, MI

Jeremy S. Bordeaux, MD, MPH, FACMS, University Hospitals Case Western Medical Center, Cleveland, OH

Kimberly M. Brady, MD, Roswell Park Cancer Institute, Buffalo, NY

Jerry D. Brewer, MD, FACMS, Mayo Clinic Rochester, Rochester, MN

Marc D. Brown, MD, FACMS, University of Rochester, Rochester, NY

Todd V. Cartee, MD, FACMS, Penn State Milton S. Hershey Medical Center, Hershey, PA

John A. Carucci, MD, PhD, FACMS, New York University Langone Medical Center, New York, NY

Brett M. Coldiron, MD, FACP, FACMS, The Skin Cancer Center, Cincinnati, OH

Joel Cook, MD, FACMS, MUSC, Charleston, SC

Jonathan L. Cook, MD, FACMS, Duke University Medical Center, Durham, NC

Vasu Divi, MD, Stanford University, Stanford, CA

Quenby L. Erickson, DO, FACMS, Erickson Dermatology—Cosmetic/Laser/Surgical, Chicago, IL

Frederick S. Fish, III, MD, FACMS, Associated Skin Care Specialists, Eden Prairie, MN

Matthew C. Fox, MD, FACMS, Austin Dermatologic Surgery Center, Austin, TX

Erik S. Gardner, MD, FACMS, Dermatology Specialists of St. Louis, St. Louis, MO

Hayes B. Gladstone, MD, FACMS, Gladstone Clinic, San Ramon, CA

Glenn D. Goldman, MD, FACMS, University of Vermont Medical Center, Burlington, VT

Renato Goreshi, MD, DermOne Dermatology Centers, Toms River, NJ

Emily L. Graham, RHIA, CCS-P, Hart Health Strategies, Washington, DC

Allison M. Hanlon, MD, PhD, Vanderbilt University, Nashville, TN

Kelly Harms, MD, PhD, University of Michigan, Ann Arbor, MI

Ali Hendi, MD, FACMS, Ali Hendi, MD, PC, Chevy Chase, MD

S. Tyler Hollmig, MD, Stanford Healthcare, Redwood City, CA

Nathaniel J. Jellinek, MD, FACMS, Dermatology Professionals, Inc., East Greenwich, RI

Hillary Johnson, MD, PhD, FACMS, University of Iowa, Iowa City, IA

Kent J. Krach, MD, FACMS, Midwest Skin Cancer Surgery Center, Clinton Township, MI

Aleksandar L.J. Krunic, MD, PhD, FACMS, Innovative Dermatology, Chicago, IL

Nirusha Lachman, PhD, Mayo Clinic, Rochester, MN

Naomi Lawrence, MD, FACMS, Cooper University Hospital, Marlin, NJ

Justin J. Leitenberger, MD, Oregon Health & Science University, Portland, OR

Henry Lim, MD, Henry Ford Medical Center, Detroit, MI

Deborah F. MacFarlane, MD, MPH, FACMS, UT-MD Anderson Cancer Center, Houston, TX

Ian A. Maher, MD, FACMS, Saint Louis University, St. Louis, MO

Margaret Mann, MD, FACMS, University Hospitals at Westlake, Westlake, OH

Michel A. McDonald, MD, FACMS, Vanderbilt University, Nashville, TN

Michael R. Migden, MD, FACMS, UT-MD Anderson Cancer Center, Houston, TX

Christopher J. Miller, MD, FACMS, Hospital of the University of Pennsylvania, Philadelphia, PA

Eric A. Millican, MD, University of Utah, Salt Lake City, UT

Vineet Mishra, MD, University of Texas Health Science Center - San Antonio, San Antonio, TX

Brent R. Moody, MD, FACMS, Skin Cancer & Surgery Center, Nashville, TN

Victor A. Neel, MD, PhD, FACMS, Massachusetts General Hospital, Boston, MA

Ann G. Neff, MD, FACMS, Dermatology Associates, Bradenton, FL

Tri H. Nguyen, MD, FACMS, Texas Surgical Dermatology, PA, Pearland, TX

Rajiv I. Nijhawan, MD, University of Texas Southwestern Medical Center, Dallas, TX

Jeffrey P. North, MD, UCSF, San Francisco, CA

Gagik Oganesyan, MD, PhD, FACMS, Kaiser Permanente, Laguna Hills, CA

Clifford S. Perlis, MD, MBE, FACMS, Abington Dermatology Associates, PC, Penn Valley, PA

Désirée Ratner, MD, FACMS, Beth Israel Cancer Center West, New York, NY

Lara Rosenbaum, MD, The University of Texas MD Anderson Cancer Center, Houston, TX

Mark A. Russell, MD, FACMS, University of Virginia Health System, Charlottesville, VA

Faramarz H. Samie, MD, PhD, FACMS, Dartmouth Hitchcock Medical Center, Lebanon, NH

Chrysalyne D. Schmults, MD, MSCE, FACMS, Brigham & Women’s Faulkner Hospital, Jamaica Plain, MA

Joseph F. Sobanko, MD, FACMS, Hospital of the University of Pennsylvania

Ally-Khan Somani, MD, PhD, FACMS, Indiana University School of Medicine, Indianapolis, IN

Thomas Stasko, MD, FACMS, University of Oklahoma, Oklahoma City, OK

Summer R. Youker, MD, FACMS, Skin Cancer Surgery Center, Sacramento, CA

Nathalie C. Zeitouni, MD, FACMS, University of Arizona Cancer Center, Phoenix, AZ

John A. Zitelli, MD, FACMS, UPMC Shadyside, Pittsburgh, PA

Fiona M. Zwol, MD, MRCPI, FACMS, Emory University, Atlanta, GA
Fellows-in-training Hands-on Cutaneous Flaps Workshop
(Non-CME Workshop)
$75.00 registration fee
Workshop directors Drs. Jeremy S. Bordeaux, Jeremy Etzkorn and Ian A. Maher, alongside course faculty, will demonstrate and instruct fellows-in-training on how to perform multiple skin flaps on surgical training models. There will be one faculty member paired with two fellows-in-training for each surgical head. This will be an invaluable experience for fellows-in-training to gain individualized knowledge by working alongside experienced Mohs surgeons. The workshop will take place at the Hilton San Francisco Union Square, and the registration fee includes breakfast & lunch. Space is limited to 30 registrants and granted on a first-come, first-served basis.

Hand & Nail Workshop
(Non-CME Workshop, For ACMS Members only)
$375.00 registration fee
Directed by Dr. Nathaniel Jellinek, this workshop is geared toward all levels of nail surgeons, from beginner and intermediate to advanced levels. It offers small group, hands-on experience practicing a variety of nail surgery techniques. Participants will be instructed on how to avulse the nail in several fashions (partial and complete), perform multiple different nail procedures (including punch, shave, longitudinal techniques), and for those with more advanced background, treat nail melanoma with en bloc excision of all nail tissues and perform nail flaps. Approaches to patient assessment, including surgical planning, equipment/suture selection, and anatomical considerations to optimize outcomes will be covered. Anatomy as it relates to safe surgical technique will be stressed. Fresh frozen cadaveric hands that allow for realistic hands-on practice will be utilized. The workshop will take place at the University of California, San Francisco, and shuttle service will be provided for participants. Space is limited to 50 registrants and granted on a first-come, first-served basis, with 2 participants per cadaveric hand.

103.1 Reconstruction of the Lateral Nasal Tip/Alar Groove ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Identify appropriate local flap, interpolated flap, and graft repairs for defects involving the lateral nasal tip and ala;
2) Classify defects of the lateral defect and tip and align them with the appropriate repair option;
3) Identify key design and execution principles that can drive better performance of these repairs.
Jeremy S. Bordeaux, MD, MPH, FACMS; Ian A. Maher, MD, FACMS

103.2 Auricular & Lip Reconstruction: Full Thickness Skin Grafts and Flaps ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Assess simple to complex wounds of the ear to plan the most appropriate reconstructive plan;
2) Evaluate varied lip defects and the pros and cons of differing repair options.
Joel Cook, MD, FACMS

103.3 Merkel Cell Carcinoma: Treatment of the Primary Site
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Utilize recent developments in the clinical management of Merkel cell carcinoma to guide treatment of the primary site;
2) Utilize recent developments in the clinical management of Merkel cell carcinoma to guide staging with sentinel lymph node biopsy;
3) Describe changes to the 8th edition of the AJCC staging system for Merkel cell carcinoma.
Christopher K. Bichakjian, MD, FACMS; Kelly Harms, MD, PhD

103.4 Video Techniques and Tips to Enhance Dermatologic Surgery Videos
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) List various methods of video capture, editing, and delivery of Mohs surgery/reconstruction content for presentation at meetings or in the office;
2) Identify core concepts to improve quality of video content through effective camera positioning, lighting, framing of subject matter, editing, and exporting to presentation files;
3) Describe key considerations in displaying and archiving video containing identifiable facial topography.
Michael R. Migden, MD, FACMS; Tri H. Nguyen, MD, FACMS; Joseph F. Sobanko, MD, FACMS

♦ Represents advanced expertise level course
Scientific Program – Thursday, April 27

103.5 Platelet Rich Plasma: Medical Treatment of Surgical Disease ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Describe the basic science of PRP;
2) Recall PRP collection systems used in dermatology and facial plastic surgery;
3) Recall the many current and potential clinical applications of PRP including chronic wound therapy.
Quenby L. Erickson, DO, FACMS

8:30 – 9:00 am
Welcome & AAD Update
(0.50 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify the activities of the ACMS and its many committees;
2) Recognize the AAD's strategic focus and some of the activities in place to advance it;
3) Recognize the challenges and opportunities that the ACMS and AAD will face in the coming year.
Thomas Stasko, MD, FACMS, ACMS President; Michel A. McDonald, MD, FACMS, Scientific Program Chair; Henry Lim, MD, AAD President-Elect

9:00 – 9:45 am
Literature Review
(0.75 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify the most important articles published in the past year for Reconstruction, General Dermatologic Surgery, and Oncology.
2) Explain the relevance of these articles to dermatological surgical practice;
3) Apply newly gained knowledge to improve patient care.
Moderators: Naomi Lawrence, MD, FACMS; Clifford S. Perlis, MD, MBe, FACMS; Désirée Ratner, MD, FACMS

9:30 am – 7:30 pm
Exhibit Hall Open

9:45 – 10:00 am
Break
(CME Not offered)

10:00 – 11:00 am
Tromovitch Award Abstract Session
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify recent advances in cutaneous oncology and pathology;
2) Recognize the current state of the practice of Mohs surgery;
3) Recall young investigators research and scholarly activities.
Moderators: Renato Goreshi, MD (2016 Tromovitch Award Abstract Winner); Christopher J. Miller, MD, FACMS (2016 Scientific Program Chair)

11:00 am – 12:00 pm
Imaging of the Patient with Cutaneous Carcinoma
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify the value of imaging for the detection of metastasis and disease staging;
2) Describe the best choices of imaging modalities for detecting local invasion and distant metastasis;
3) Develop strategies for collaborating with radiology in the care of high risk tumors to improve outcomes.
Moderator: Allison T. Vidimos, MD, RPh, FACMS

12:00 – 1:00 pm
Networking Lunch (provided)
(CME Not Offered)
Enjoy lunch and the time to network with your colleagues!

1:00 – 1:45 pm
Video Session: Advanced Techniques for Reconstruction ♦
(0.75 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Recall innovative and classic techniques for reconstruction of complex wounds;
2) Describe steps in these reconstructions;
3) Perform some of the techniques demonstrated in practice.
Moderator: Chrysalyne D. Schmults, MD, MSCE, FACMS
Speakers: Tri H. Nguyen, MD, FACMS; John A. Zitelli, MD, FACMS

1:45 – 2:30 pm
Optimizing Mohs Frozen Sections
(0.75 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify common problems of frozen section processing and learn techniques to correct these problems;
2) Apply techniques for processing fatty tissue, cartilage, and other difficult to process tissues;
3) Recall frozen section pitfalls that may lead to tumor being missed on frozen section analysis.
Moderator: Frederick S. Fish, III, MD, FACMS
Speakers: Richard G. Bennett, MD, FACMS; Jeanie Wade, HT, (ASCP)
Scientific Program – Thursday, April 27

2:30 – 3:00 pm
Health and Safety for the Mohs Surgeon
(0.50 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Describe the hazardous nature of surgical smoke and ways to decrease or minimize exposure;
2) Apply the appropriate steps for monitoring and/or treatment after occupational Hepatitis C exposure.
Moderator: Eric A. Millican, MD
Speaker: Gagik Oganesyan, MD, PhD, FACMS

3:00 – 3:15 pm
Break
(CME Not offered)

3:15 – 4:15 pm
Clinical Pearls Abstract Session
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to identify new research developments in Mohs surgery and oncology.
Moderator: Murad Alam, MD, FACMS

4:15 – 5:15 pm
Update on High Risk Tumors
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Define the criteria and factors that contribute to the development of a high risk squamous cell carcinoma;
2) Recall the role of Sentinel lymph node biopsy for Merkel cell cancer and squamous cell cancer and how it might define prognosis and treatment options;
3) Articulate the clinical presentation and management strategies for sebaceous carcinoma and to understand the significance and work up of Muir Torre syndrome.
Moderator: Marc D. Brown, MD, FACMS
Speakers: Kimberly M. Brady, MD; Chrysalyne D. Schmults, MD, MSCE, FACS

5:30 – 7:30 pm
Exhibit Hall Grand Opening & Welcome Reception
(CME Not offered)

♦ Represents advanced expertise level course
Scientific Program – Friday, April 28

7:00 – 8:15 am
Concurrent Morning Mini-Sessions

202.1 Reconstruction of the Columella and Soft Triangle
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Determine what operative wounds of the soft triangle are best repaired with skin grafts, composite grafts, local flaps and interpolated flaps;
2) Apply surgical tips and pearls to optimize reconstruction in this challenging area;
3) Plan and execute multistage reconstructions when pressed to do so by challenging operative wounds.
Glenn D. Goldman, MD, FACMS

202.2 The Staged Reconstruction of the Nose and Ear with Pedicled Flaps ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Recall the proper design and execution of staged flaps in the reconstruction of the ear and nose;
2) Improve surgical results with refinements in operative design and surgical technique.
Jonathan L. Cook, MD, FACMS

202.3 Immunohistochemistry during Mohs for LM/LMM ♦
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Describe the benefits and limitations of Mohs micrographic surgery for lentigo maligna and lentigo maligna melanoma;
2) Recall the importance of immunohistochemical staining, including "nuts and bolts," in the setting of Mohs micrographic surgery for lentigo maligna and lentigo maligna melanoma;
3) Define the difference between Mohs micrographic surgery and slow Mohs for lentigo maligna and lentigo maligna melanoma;
4) Define the current literature in terms of differences in cure rates and other outcome measures for Mohs micrographic surgery vs. standard excision for lentigo maligna and lentigo maligna melanoma.
Christopher J. Arpey, MD, FACMS; Jerry D. Brewer, MD, FACMS; Summer R. Youker, MD, FACMS

202.4 EHR and Photography: Practical Tips for the Mohs Surgeon
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Describe approaches that ease documentation requirements and enhance compliance efforts;
2) Recount EHR documentation requirements for the government’s quality payment programs;
3) Cite photography best-practices to improve patient care and safety.
Erin S. Gardner, MD, FACMS

202.5 Plan B for the Mohs Surgeon
(1.25 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Identify clinical scenarios where additional management following Mohs surgery is needed;
2) Describe treatment options for recurring tumors or deeply infiltrating tumors;
3) Review multidisciplinary approach in managing challenging tumors.
Aleksandar Lj. Krunic, MD, PhD, FACMS; Ally-Khan Somani, MD, PhD, FACMS; Nathalie C. Zeitouni, MD, FACMS

8:30 – 9:30 am
Scientific Abstract Session
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to identify new research developments in Mohs surgery and oncology.
Moderator: Allison M. Hanlon, MD, PhD

9:30 am – 6:30 pm
Exhibit Hall Open

9:30 – 10:30 am
Case-Based Coding and Billing
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify resources to assist with questions related to billing and coding for Mohs surgery;
2) Distinguish common billing and coding errors related to Mohs surgery, pathology, and reconstruction;
3) Apply the knowledge of billing and coding benchmarks and patterns of appropriate utilization to their practice.
Moderator: John G. Albertini, MD, FACMS
Speakers: Glenn D. Goldman, MD, FACMS; Brent R. Moody, MD, FACMS

10:30 – 10:45 am
Break
(CME Not offered)

10:45 am – 12:15 pm
Back to Basics: Integrating Anatomy into Everyday Practice
(1.50 Credit Hours)
At the conclusion of this session, participants should be able to:
1) Review anatomy in areas frequented by Mohs surgeons;
2) Identify relevant anatomic structures important to form and function;
3) Apply anatomic knowledge to optimize surgical planning and implementation.
Moderator: Mark A. Russell, MD, FACMS
Guest Speaker: Nirusha Lachman, PhD

♦ Represents advanced expertise level course

16  ACMS 49th Annual Meeting  PRELIMINARY PROGRAM
12:15 – 2:00 pm
ACMS Annual Business Meeting & Lunch
(Non-CME session)

2:00 – 2:15 pm
Break
(CME Not offered)

2:15 – 3:15 pm
Utilizing your Dermatopathologist as a Partner
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify and understand the new staging and treatment recommendations for melanoma and non-melanoma skin cancer included in the AJCC 8th edition staging manual;
2) Describe histologic tumor margins on permanent sections and their impact on clinical care;
3) Decipher the language of the dermatopathologist.
Moderator: Valencia D. Thomas, MD, FACMS
Speakers: Anna A. Bar, MD, FACMS; Jeffrey P. North, MD; Lara Rosenbaum, MD

3:15 – 4:00 pm
Video Session: Refining your Reconstruction Approach
♦
(0.75 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Utilize vascular anatomy of the lip to design flaps with a reliable blood supply;
2) Design and execute a paramedian forehead flap while lengthening flap reach;
3) Detect key anatomic landmarks and dissection planes for the pedicled tarsoconjunctival flap.
Moderator: Jeremy S. Bordeaux, MD, MPH, FACMS
Speakers: Nathaniel J. Jellinek, MD, FACMS; Christopher J. Miller, MD, FACMS; Joseph F. Sobanko, MD, FACMS

4:00 – 4:15 pm
Break
(CME Not offered)

4:15 – 5:15 pm
Expand Your Horizon: Inspiring Ideas for Your Practice and Life
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Appreciate how diverse interests can improve an individual’s practice of Mohs surgery;
2) Describe the relationship between personal and professional life;
3) Utilize personal passion to improve professional engagement.
Moderator: Thomas Stasko, MD, FACMS
Speakers: Brett M. Coldiron, MD, FACP, FACMS

5:15 – 5:30 pm
Volunteerism in Mohs Surgery
(0.25 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Identify the needs for Mohs surgery and reconstruction both domestically and internationally;
2) Evaluate the infrastructure needs of a given country in order to have a successful mission;
3) Identify different types of Mohs volunteer opportunities including both short-term and long-term opportunities.
Moderator: Hayes B. Gladstone, MD, FACMS

5:30 – 6:30 pm
Fellowship Training Directors’ Session
(Non-CME session)
9:15 – 10:45 am

Multidisciplinary Care of Complex Tumors (1.50 Credit Hours)

At the conclusion of this session, participants should be able to:
1) Determine when high risk tumors are best managed with multidisciplinary care;
2) Identify and describe risk factors for metastasis and treatment modalities to improve patient outcomes;
3) Recall the challenges of assessing and managing regional and distant disease in patient with complex and high risk skin cancer.

Moderator: Sumaira Z. Aasi, MD, FACMS
Guest Speaker: Vasu Divi, MD

10:45 – 11:00 am

Break

(CME Not offered)
Scientific Program – Saturday, April 29

11:00 am – 12:00 pm
Topics in Transplant from the International Transplant Skin Cancer Collaborative
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Recall the importance of obtaining a medical and drug history in the evaluation of an immunosuppressed patient who presents with an aggressive skin cancer;
2) Describe pre op and post op management of aggressive skin cancer in immunosuppressed patients;
3) Explain the use of adjuvant therapies in the immunosuppressed patient with skin cancer.
Moderator: Fiona M. Zwald, MD, MRCPI, FACMS
Speakers: Matthew C. Fox, MD, FACMS; Justin J. Leitenberger, MD

12:00 – 1:00 pm
Lunch in the Exhibit Hall
(CME Not offered)

1:00 – 2:00 pm
Melanoma Update
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Review recent scientific additions to our understanding of the behavior of melanoma;
2) Describe the rationale behind diagnostic and prognostic tests for melanoma;
3) Formulate therapeutic strategies for invasive melanoma.
Moderator: Thomas Stasko, MD, FACMS
Speakers: Christopher K. Bichakjian, MD, FACMS; John A. Zitelli, MD, FACMS

2:00 – 3:00 pm
Reconstruction Conundrums: Simple Versus Complex Options
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Maximize the power of a linear repair for challenging wound;
2) Employ minor adjustments to linear repairs to improve outcomes;
3) Utilize the Burrow’s flap and Burrow’s graft to effect aesthetic closures;
4) Recognize what an adjacent tissue transfer does that a linear repair cannot.
Moderators: Glenn D. Goldman, MD, FACMS; Deborah F. MacFarlane, MD, MPH, FACMS
Speakers: Victor A. Neel, MD, PhD, FACMS; Ian A. Maher, MD, FACMS; Christine H. Weinberger, MD, FACMS

3:00 – 3:15 pm
Break
(CME Not offered)

3:15 – 4:15 pm
Rapid Pearls Abstract Session
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to recall anecdotal pearls in Mohs surgery technique, frozen section pathology, reconstructive surgery, and practice management.
Moderator: Christopher J. Miller, MD, FACMS

4:15 – 5:00 pm
MACRA/MIPS/APMs: How Does Mohs Fit In?
(0.75 Credit Hour)
Moderator: Marta J. VanBeek, MD, FACMS
Speaker: Emily L. Graham, RHIA, CCS-P; Hillary Johnson, MD, PhD, FACMS

6:45 – 7:30 pm
Fellows-in-Training Reception
(CME Not offered)
For Program Directors and current Fellows-in-Training only.
Scientific Program – Sunday, April 30

7:30 – 8:30 am
Digital Diagnostic Quality Control Exam Review
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Recognize the false positives and false negatives in Mohs histopathology sections;
2) Improve dermatopathology skills to help distinguish benign findings from malignant processes;
3) Recognize errors in frozen-section tissue processing.
Moderator: Sumaira Z. Aasi, MD, FACMS
Speakers: S. Tyler Hollmig, MD; Kent J. Krach, MD, FACMS; Faramarz H. Samie, MD, PhD, FACMS; Vitaly Terushkin, MD; Valencia D. Thomas, MD, FACMS; Yaohui G. Xu, MD, PhD, FACMS

8:30 – 8:45 am
Fellow-in-Training Clinicopathologic Case Competition Award Winner
(0.25 Credit Hour)
At the conclusion of this session, participants should be able to recall an uncommon or rare pathology or that illustrate prototypical diagnostic challenges and keys to diagnosis or tumor detection.
Moderator: Allison T. Vidimos, MD, RPh, FACMS

8:45 – 9:45 am
Video Session: Reconstruction Options for the Mohs Surgeon
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Define relevant functional anatomic landmarks as they relate to reconstruction of wounds after removal of skin cancer;
2) Develop an algorithmic approach enabling favorable reconstructive solutions to complex defects with high functional and aesthetic relevance;
3) Develop the ability to define multiple reconstructive options for any given skin/soft tissue defect resulting from skin cancer removal.
Moderator: John A. Carucci, MD, PhD, FACMS

9:45 – 10:00 am
Break
(CME Not offered)

10:00 – 11:00 am
Practical Pre and Postoperative Considerations for Mohs Surgery
(1.00 Credit Hour)
At the conclusion of this session, participants should be able to:
1) Describe management strategies for immunosuppressed patients to optimize their outcomes;
2) Determine appropriate treatment approaches for patients who are pregnant or nursing;
3) Describe important post-operative considerations such as bandaging and patient satisfaction.
Moderator: Rajiv I. Nijhawan, MD

11:00 am – 12:00 pm
MOC Self-Assessment: Office Safety
(Non-CME session)
At the conclusion of this session, participants should be able to:
1) Assess and understand the key areas of how office based safety pertains to the practice of dermatology;
2) Integrate and apply the concepts of office based safety to improve office efficiency, safety, and satisfaction in the workplace of a dermatologic surgery practice;
3) Distinguish the most common as well as the most detrimental office based safety issues pertaining to procedural dermatology.
Moderator: Eric A. Millican, MD

Meeting adjourns
Exhibitors

You are encouraged to visit the technical exhibits during the ACMS Annual Meeting. A variety of companies of interest to Mohs surgeons will be displaying their products, equipment, and services. Please be sure to visit the exhibit hall to learn about their quality offerings. A complete list of exhibitors, product descriptions, and a locator map will be included in the Annual Meeting mobile app and in the Final Program.

Exhibit hall hours are:
Thursday, April 27  
9:30 am – 7:30 pm
Friday, April 28  
9:30 am – 6:30 pm
Saturday, April 29  
9:00 am – 4:00 pm

REGISTER ONLINE WITH A CREDIT CARD!
Go to: http://www.mohscollege.org/annualmeeting/registration
Early Registration Deadline: February 16, 2017 @ 11:59 pm PST
$50 additional fee for registrations after this date through March 31, 2017
REGISTRATION FORM (not valid if received after March 31, 2017, must register onsite)
Please print clearly. A separate form must be completed for each registrant.

ACMS Registration Form

Name__________________________________________________________________________________________________________________________
Address__________________________________________________________________________________________________________________________________________________________________________
City___________________________________________________ State/Region____________ ZIP Code __________Country________________________
Phone_________________________________________________ Fax______________________________________________________________________
Email___________________________________________________________________________________________________________________________
Indicate how you would like your first name to appear on your badge:_____________________________________________________________________________________________________________________________

SPECIAL ACCOMMODATIONS
☐ Yes, I (the registrant) require an auxiliary aid or service identified in the Americans with Disabilities Act.
Explain: ________________________________________________________________________________________________________________________

If you have a religious or food allergy-related dietary need, please check the appropriate box below. Vegetarian options will be available at all functions. Please do not include food preferences.

☐ Yes, I (the registrant) require specially-prepared food at group functions: ☐ Kosher ☐ Halal ☐ Food Allergy/Other
☐ No Dietary Restrictions
Other: _________________________________________________________________________________________________________________________

REGISTRATION CATEGORIES AND FEES
(NOTE: The registration fee does not include admission to Morning Mini-Sessions. Registrants must sign up for these sessions separately and pay the extra fee for each Morning Mini.)

23rd ASMH Annual Meeting • April 28-29, 2017

The 2017 American Society for Mohs Histotechnology Annual Meeting will take place concurrently with the ACMS Annual Meeting at the Hilton San Francisco Union Square on Friday, April 28 and Saturday, April 29.

Program Details at www.mohstech.org/annual-meeting
- General sessions
- Cryostat and immunohistochemistry workshops
- Speakers
- Special events

NEW in 2017
ASMH Annual Meeting Pre-Conference Histotechnology Workshops
Thursday, April 27, 2017
Learn more at www.mohstech.org/annual-meeting
- Cryostat-Enhanced Techniques of Embedding and Cutting Tissue for Mohs
- Immunohistochemistry Procedure for Melanoma; a Wet Workshop
- Immunohistochemistry Theory and Details for the IHC Lab
- Theory and Procedures for Routine Staining of Mohs Slides
- Compliance and Regulatory Requirements for the Mohs Lab
- The A to Z of Mohs Procedure: Technical Guidance on Potential Pitfalls

Cost: ASMH Members: $75; Non-members: $125

Workshop attendees are eligible for CEUs through the National Society for Histotechnology, in addition to CEUs from the General Session/Workshops during the Annual Meeting.

Friday, April 28
7:00 – 7:30 am
New Member Welcome Session
7:00 – 7:30 am
Continental Breakfast
7:30 – 9:45 am
General Session 1
10:00 am – 12:00 pm
General Session 2
12:00 – 1:00 pm
Lunch in Exhibit Hall
1:00 – 3:30 pm
General Session 3
3:30 – 5:00 pm
Beginner Cryostat Workshop
3:30 – 5:00 pm
Advanced Cryostat Workshop
3:30 – 5:00 pm
Advanced Immunohistochemistry Workshop
5:00 – 6:30 pm
Networking Reception

Saturday, April 29
