Dear ACMS Members,

Since the launch of the ACMS Foundation at the 2018 Annual Meeting, we have been encouraged by the strong support of so many ACMS members for this new endeavor. We are grateful for your pledges and gifts to date; the next 50 years of growth for our specialty will be enhanced your generosity. If you haven't already made a pledge, please consider joining your colleagues by doing so today.

\$2.5 million

Our Launch Goal:  
**\$2.5 million**  
in 5 years

## How can you help?

Join your colleagues and make a gift or a pledge today.

You may designate your gift to one or more of our defined support areas or to the area of greatest need.

Gifts at all levels can be paid in one year or pledged over two to five years.

## Gifts in Honor and Gifts in Memory

Many of our Fellowship Training Program Directors have granted permission for gifts to be made to the Foundation in their honor. These **Lineage Funds** have been a meaningful way for many to contribute. Consider a gift in honor of your mentor, colleague or friend.

## Award Review Process

Dr. Tom Stasko leads the Foundation Governance and Policy Committee. Along with Drs. Jerry Brewer, Marc Brown and Nat Jellinek, he is developing a governance structure, spending policy, gift acceptance policy and the grant application and review process for the ACMS Foundation. These policies will be ready for review by the ACMS membership at the 2019 Annual Meeting.

Allocation of funds from the Foundation will be subject to a blinded peer review process.
