

DONOR UPDATE Spring 2019

ACMS FOUNDATION

Funding Physician and Patient
Education in Mohs Surgery

Dear ACMS Members,

Thank you for your early and enthusiastic support of the ACMS Foundation. Since the announcement of this initiative in May of last year, you have responded with remarkable speed and generosity. ACMS members have already committed \$1.5 million in gifts and our committee is working hard to secure the remainder needed to meet our \$2.5 million initial goal.

We are pleased to announce that our Award Review Committees have been appointed and grant applications will be accepted beginning Fall of 2019. **The Foundation is on track to grant \$200,000 in 2020 in the areas of Research, Education and Lectureships, Travel Awards and Patient Education.** Please join your colleagues and make a gift to the ACMS Foundation that will allow the support of our specialty for years to come.

These documents will be ratified by the Board of Directors at their May 2019 meeting and posted on the ACMS website. Hard copies are also available at the ACMS Foundation desk during the meeting.
