

Dear Surgeon,

Thank you for your interest in applying for an American College of Mohs Surgery (ACMS) fellowship Director, Associate Director, Surgical Faculty or Senior Faculty position. Below you will find an outline of the core competencies that the Site Inspection & Slide Review Board (SISRB) requires, which will help you with your application.

- Completed application form including application fee
- Curriculum Vitae: Recent research (past five years) in Micrographic Surgery and Dermatologic Oncology, published in peer-reviewed journals.
- Regular attendance at the ACMS Annual Meeting.
- Case log: Number of Mohs cases
  - Director: 500 per year for one-year program, 300 per year for two-year program (600 total cases required for fellows in two-year programs)
  - Associate Director: Minimum 300 per year for one or two-year program.
  - Surgical Faculty: 200 per year
  - Senior Faculty: No requirement
- Case Log: Complex Mohs cases (per page 2 of the Policies, Procedures, & Guidelines)
  - Director: 50 per year
  - Associate Director: 50 per year
  - Surgical Faculty: No requirement
  - Senior Faculty: No requirement
- Case Log: Complex reconstructions (per page 2 of the Policies, Procedures, & Guidelines)
  - Director: 50 per year
  - Associate Director: 50 per year
  - Surgical Faculty: No requirement
  - Senior Faculty: No requirement

If you have questions about the requirements, the application review process, or the annual schedule, please contact ACMS/SISRB staff at 414-347- 1103 or [sisrb@mohscollege.org](mailto:sisrb@mohscollege.org).

Sincerely,

  
Christopher J. Arpey, MD, FACMS  
Chair, Fellowship Training Committee

  
Timothy M. Johnson, MD, FACMS  
Vice Chair, Fellowship Training Committee
