## 2015-2016 OFFICERS AND BOARD OF DIRECTORS

---

### **Officers**

John G. Albertini, MD, FACMS  
*President*

Thomas Stasko, MD, FACMS  
*Vice President*

Allison T. Vidimos, MD, RPh, FACMS  
*Secretary/Treasurer*

J. Ramsey Mellette, Jr., MD, FACMS  
*Immediate Past President*

### **Board of Directors**

Christopher J. Arpey, MD, FACMS

Elizabeth M. Billingsley, MD, FACMS

Timothy C. Flynn, MD, FACMS

Tatyana R. Humphreys, MD, FACMS

Brent R. Moody, MD, FACMS

Emily Newsom, MD (*Board Observer, non-voting*)

Chrysalyne D. Schmults, MD, MSCE, FACMS

Summer R. Youker, MD, FACMS

John A. Zitelli, MD, FACMS (*Board Historian, non-voting*)

David M. Zloty, MD, FRCP, FACMS

Fiona M. Zwald, MD, MRCPI, FACMS

## REGIONAL MEETING COMMITTEE

---

Michel A. McDonald, MD, FACMS, *Chair*

John G. Albertini, MD, FACMS

Thomas Stasko, MD, FACMS

Allison T. Vidimos, MD, RPh, FACMS

Christopher J. Miller, MD, FACMS, *Ex-officio*

## ACMS STAFF

---

Rebecca Brandt, CAE, Executive Director

Brett Kell, MSM, Communications Manager

Tammy O'Connell, Administrative Manager,  
National Registry and Quality

Mario Ortiz, Meetings Manager

Mary Randall, Membership Manager

Susan Sadowski, Education Manager

Emily Thurow, Administrative Coordinator

## WELCOME MESSAGES

---

### Dear Colleagues,

On behalf of the Board of Directors, welcome to the 2015 Regional Meeting of the American College of Mohs Surgery.

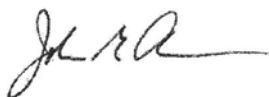

Our first two Regional Meetings, in San Diego and last year in Charleston, answered a desire among members for a smaller, more interactive setting in which to connect, share ideas, and improve their practice. I'm confident that this year's meeting will continue to meet these expectations and then some, with a highly engaging mix of scientific sessions and social opportunities.

This year, the Napa location offers a special opportunity for a memorable getaway, with winery tours, hot air balloon rides, world-class dining, PGA-level golf courses, arts & culture, shopping, and much more on site or just minutes away. This idyllic setting will also serve as a springboard for new ideas, compelling science, and practice pearls we can apply and share with others.

I want to extend warm thanks to the Regional Meeting Committee, guided by Chair Dr. Michel McDonald, for its work in crafting a highly relevant program that includes a range of topics that will continue to build on our experience, skills and knowledge in cutaneous oncology and Mohs surgery. Special thanks go to committee members, Drs. Thomas Stasko, Allison Vidimos and Christopher Miller, for their time and contributions in planning this event. Thank you also to the faculty who are presenting and participating in this meeting. Their expertise is invaluable.

Lastly, thank you, our members, for your ongoing engagement in and commitment to our specialty and the patients we serve.

Sincerely,

John G. Albertini, MD, FACMS  
*ACMS President*

### Dear Colleagues,

It is my pleasure to welcome you to the 2015 ACMS Regional Meeting to take part in an informative, collaborative and fun educational program.

The program committee has sought input from across the College to create a program that builds on the successes of the previous Regional Meetings in San Diego and Charleston.

Based on the positive feedback of previous participants regarding the interactive atmosphere, the sessions are designed to encourage interaction between speakers and attendees in a relaxed setting. We're confident this format enhances learning and encourages collaboration and collegiality among our members.

This year's program features some updates on favorites like 'What's New in Cutaneous Oncology,' as well as some new ways of looking at familiar problems, such as in a multidisciplinary session with head and neck oncology and melanoma specialists that will focus on management of complex cases, not just complex repairs. There will also be a Grand Rounds in a new format where attendees submitted challenging cases in advance for discussion during the meeting. I'm particularly looking forward to Saturday's networking lunch, during which attendees can interact with board members and experienced surgeons.

The committee is grateful to the numerous ACMS members who have made meaningful contributions to development of the program and are lending their time and energy to participate in the program. We wish to thank the ACMS Officers, Board of Directors, and staff for their hard work to make this program come to life.

A special thanks to John G. Albertini, MD, ACMS President, and Thomas Stasko, MD, ACMS Vice President, who have dedicated considerable time and thought in support of this event.

Sincerely,

Michel A. McDonald, MD, FACMS  
*Chair, ACMS 2015 Regional Meeting Program Committee*

## PROGRAM AT A GLANCE

---

### Thursday, November 12

10:00 am – 5:30 pm	Registration	Main Lounge Inside Terrace
10:00 am – 5:30 pm	Speaker Ready Room	Sebastiani
11:00 am – 6:00 pm	Fantastic Flaps: A Hands-On Instructional Workshop (Non-CME workshop)	Beringer/Chappellet

### Friday, November 13

10:00 am – 5:30 pm	Registration	Silverado Ballroom Foyer
10:00 am – 5:30 pm	Speaker Ready Room	Sebastiani
1:00 – 1:15 pm	Opening Session and Welcome (CME Not offered)	Silverado Ballroom
1:15 – 2:15 pm	Imaging of the Patient with Cutaneous Carcinoma ♦ (1.00 Credit Hour)	Silverado Ballroom
2:15 – 3:15 pm	What's New in Cutaneous Oncology (1.00 Credit Hour)	Silverado Ballroom
3:15 – 3:30 pm	Break (CME Not offered)	Fairway Deck
3:30 – 4:30 pm	How Would You Reconstruct It? ♦ (1.00 Credit Hour)	Silverado Ballroom
4:30 – 5:15 pm	Challenges in Mohs Surgery (0.75 Credit Hours)	Silverado Ballroom
5:15 – 6:00 pm	International Volunteerism and Mohs Surgery (0.75 Credit Hours)	Silverado Ballroom
6:30 – 8:30 pm	Welcome Reception (CME Not offered)	Fairway Deck

### Saturday, November 14

6:30 am – 3:30 pm	Registration	Silverado Ballroom Foyer
6:30 am – 3:30 pm	Speaker Ready Room	Sebastiani
6:45 – 7:45 am	Continental Breakfast	Fairway Deck
8:00 – 9:00 am	Grand Rounds (1.00 Credit Hour)	Silverado Ballroom
9:00 – 10:30 am	What the Mohs Surgeon Must Know About Tumors Requiring Multidisciplinary Care ♦ (1.50 Credit Hours)	Silverado Ballroom
10:30 – 11:00 am	Break (CME Not offered)	Fairway Deck
11:00 am – 12:00 pm	Practice Realities: Preoperative & Postoperative (1.00 Credit Hour)	Silverado Ballroom
12:00 – 1:00 pm	Lunch	Fairway Deck
1:00 – 2:30 pm	Tumor Board ♦ (1.50 Credit Hours)	Silverado Ballroom
2:30 – 3:30 pm	Expand Your Horizon: Inspiring Ideas for Your Practice and Life (1.00 Credit Hour) Enjoy beer, wine or soda and light snacks during the session.	Silverado Ballroom
3:30 pm	Meeting adjourns for the day; enjoy Napa	

### Sunday, November 15

6:30 – 10:00 am	Speaker Ready Room	Sebastiani
6:45 – 7:45 am	Continental Breakfast	Fairway Deck
8:00 – 9:30 am	Masters' Panel ♦ (1.50 Credit Hours)	Silverado Ballroom
9:30 – 9:45 am	Break (CME Not offered)	Fairway Deck
9:45 – 11:15 am	Approaches to Common Issues in Everyday Practice (1.50 Credit Hours)	Silverado Ballroom
11:15 am – 12:45 pm	Maintenance of Certification: Office Safety (Non-CME session)	Silverado Ballroom
12:45 – 1:00 pm	Closing Remarks and Adjournment	

♦ Represents advanced expertise level course.

## OPTIONAL ACTIVITIES

---

### Friday, November 13, 2015

Golf (PGA South Course)\*

*Friday tee times on South Course from 7:40 am – 8:20 am (10 minute Intervals, 20 slots on hold)*

*Start type: Consecutive*

\$119 per person

Visit Registration Desk to purchase.

The Silverado Resort and Spa has two golf courses on its property: the South Course and newly renovated North Course, which hosted the PGA Tour Frys.com Open Championship in October. Price includes:

- Green fee and cart fee
- Range balls prior to start
- Complimentary bag handling and club cleaning
- Tournament set-up, contests, golf cart ID signs, personalized scorecards and scoring

*\*Visit the Program tab of [www.mohscollege.org/regionalmeeting](http://www.mohscollege.org/regionalmeeting) for details on pace of play and to see an interactive flyover of both courses.*

Rental clubs (Callaway XR series) are available for \$65 per set. Men must wear collared or mock neck golf shirts, slacks or bermuda shorts. Women must wear proper golf attire and collars must be present

on sleeveless shirts. Soft-spike golf shoes or flat-soled tennis shoes must be worn. Blue jeans or denim, athletic wear, halter tops or t-shirts are prohibited.

### Sunday, November 15, 2015

Golf (PGA North Course)

*Sunday tee times on North Course starting at 1:20 pm (10 minute Intervals, 20 slots on hold)*

\$119 per person

Visit Registration Desk to purchase.

### Sunday, November 15, 2015

Private Wine & Olive Oil Tasting Tour

1:30 – 3:00 pm (max. 60 people)

\$175 per person *(Includes tastings/tours and transportation)*

Visit Registration Desk to purchase.

Your first stop will be Round Pond Estate. Located in the acclaimed Rutherford region of Napa Valley, Round Pond is a family-owned and operated estate designed around their vineyards, gardens and orchards. Next you will travel to Farmstead at Long Meadow Ranch to explore the Estate-grown wines from their responsibly farmed and family-owned vineyards. This flight includes current release wines and a sample of extra virgin olive oils.

## RESORT AND TRAVEL INFORMATION

---

### Silverado Resort and Spa

1600 Atlas Peak Road, Napa, California 94558  
Phone: (800) 532-0500/ [www.silveradoresort.com](http://www.silveradoresort.com)

#### Wireless Internet

Wireless connectivity is available free of charge throughout the resort, including meeting spaces.

**Connect with a laptop:** Go to network settings, select the "Silverado Resort and Spa" network, connect to it, then open a Web browser. A splash page will pop up. Accept the terms and click "connect." If a splash page does not pop up when opening your Web browser, go to [google.com](http://google.com) and you will be redirected to the Silverado splash page.

**Connect with a mobile device:** Go to WiFi Settings, select Silverado Resort and Spa, and a splash page will pop up in your Web browser. Accept the terms and click "connect."

### Transportation

The Silverado Resort and Spa does not provide an airport shuttle. Please plan ground transportation accordingly. Some options are listed below.

#### Car Rental Agencies

A listing of rental agencies at the San Francisco, Oakland and Sacramento airports is available on the Resort & Transportation tab of [www.mohscollege.org/regionalmeeting](http://www.mohscollege.org/regionalmeeting).

#### Uber

[www.uber.com](http://www.uber.com), App Store or Android Google Play apps

San Francisco Airport to Napa Valley: \$130–169

Oakland Airport to Napa Valley: (service not available)

Sacramento to Napa Valley: \$44–58

#### Shuttles

Evans Transportation

[www.evanstransportation.com/\(707\)255-1559](http://www.evanstransportation.com/(707)255-1559)

Drop-off/pick-up to Napa hotels: \$45 per person one way, cash only

### Silverado Resort and Spa Parking

Complimentary Self & Valet Parking

## ONSITE RECREATION AND NEARBY ATTRACTIONS

---

Enjoy winery tours, hot air balloon rides, world-class dining, PGA-level golf courses, arts & culture, shopping, and much more onsite or just minutes away. See below and learn more at [www.visitnapavalley.com](http://www.visitnapavalley.com).

### Onsite Recreation

- Spa at Silverado, featuring massage, body treatments, day spa packages, skin care, nail and hair salon, wellness coaches and more
- Two championship golf courses; lessons, pro shop, junior golf camps, and more
- World-class fitness center, including group classes, free weights, assisted weight machines, outdoor running and stretching areas
- 10 lighted, plexi-pave tennis courts (book 72 hours in advance)
- Jogging and hiking trails
- Outdoor pool
- Bocce ball courts

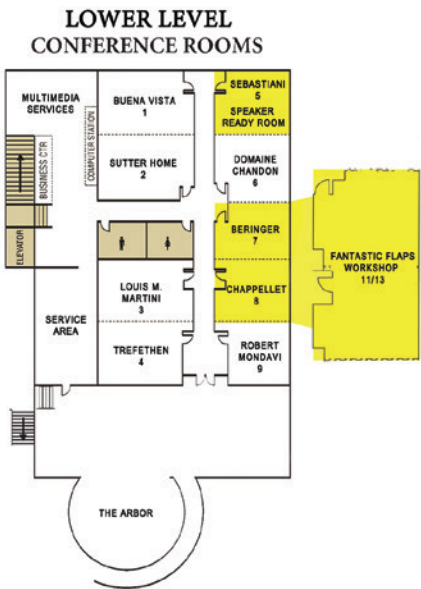

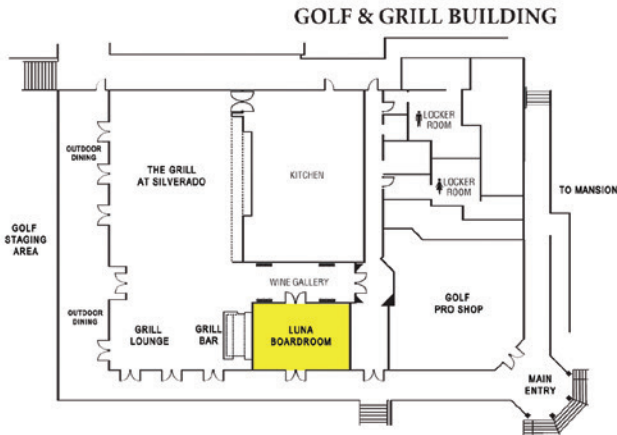

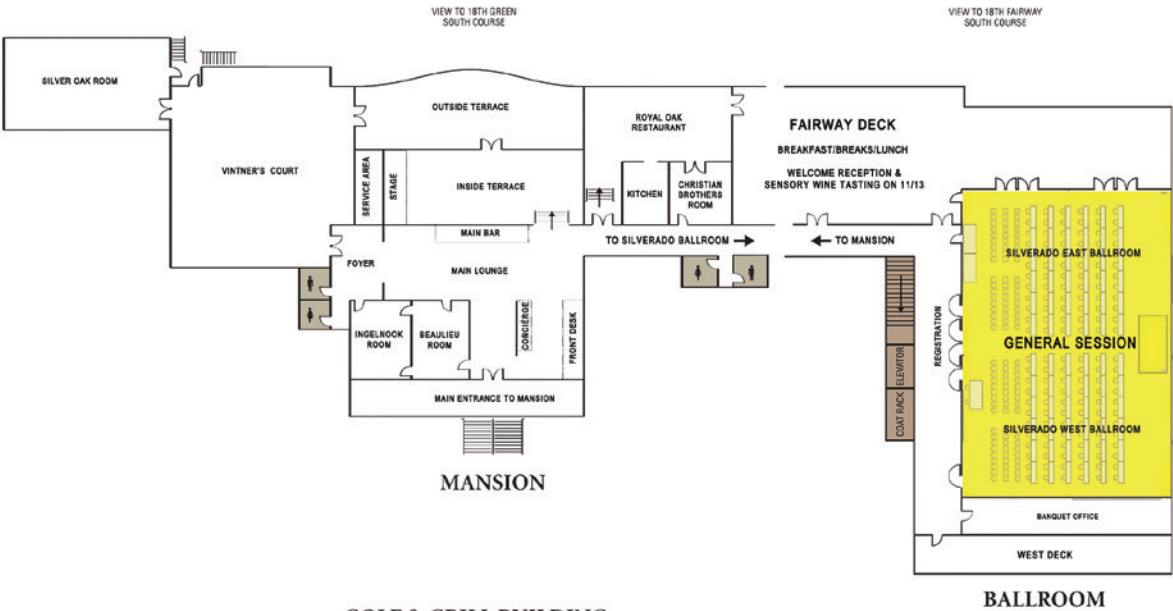

### Nearby Attractions

- Silverado Trail: [www.silveradotrail.com](http://www.silveradotrail.com)
- Balloons Above the Valley: [www.balloonrides.com](http://www.balloonrides.com)
- Castelo di Amorosa: [www.castellodiamorosa.com](http://www.castellodiamorosa.com)
- Napa Valley Wine Train: [www.winetrain.com](http://www.winetrain.com)
- Shopping: [www.premiumoutlets.com](http://www.premiumoutlets.com)
- Bike Tours: [www.getawayadventures.com](http://www.getawayadventures.com)

### Nearby Wineries

- Markham Vineyards
- Robert Mondavi Winery
- Silverado Vineyards
- Whitehall Lane Winery
- Andretti Winery
- Grgich Hills Estate
- Miner Family Winery
- Pine Ridge Vineyards
- William Hill Estate Winery
- Artesa Vineyards & Winery

# SILVERADO RESORT AND SPA FLOOR MAP

### Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American College of Mohs Surgery (ACMS). The ACMS is accredited by the ACCME to provide continuing medical education for physicians.

### Credit Designation Statement

The ACMS designates this live activity for a maximum of 13.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### AAD Recognized Credit Approval Statement

The ACMS Regional Meeting (program #64200) is recognized by the American Academy of Dermatology for 13.50 AAD Recognized Credits and may be used toward the AAD CME Award. AAD members should self-report their AAD recognized credits via the AAD Online Transcript Program. **Please note the ACMS Regional Meeting is program #64200.**

### Maintenance of Certification Credits

Please complete the MOC Credit Self-Assessment, available in 'MOC: Office Safety' on Sunday, November 15, 2015, 11:15 am–12:45 pm, and return to the Registration Desk. You must update your American Board of Dermatology MOC tables to reflect the 25 question credits available for this session.

The completion of the Self-Assessment exercise satisfies a portion of the Self-Assessment module of Component 2 in MOC.

**Note:** If you have previously claimed MOC for 'MOC: Office Safety' at the 2014 Annual Meeting, 2014 Regional Meeting, or 2015 Annual Meeting, you cannot claim question credits for 'MOC: Office Safety' at the 2015 Regional Meeting.

### To claim your CME for the meeting:

1. Visit <https://mylibralounge.com/RegEng/acms1511L/cme>
2. Enter your registration confirmation number and last name in the login fields and click 'Login'. If you do not know your confirmation number, scroll to the bottom of the page to have your confirmation number emailed to you.
3. Complete the brief evaluation and click 'Save and Continue to Select Session(s) Attended'. (If you do not wish to continue your evaluation, select the 'Save and Exit' to discontinue your session.)
4. Select the session(s) you attended on-site, and click 'Next'.
5. On the Print Certificate page, review your certificate and click 'Print Certificate' to download and print your certificate. To make changes to your sessions attended selection(s), click the 'Previous Page' button.

### Disclosure of Conflicts of Interest

To comply with the ACCME Standards of Commercial Support on the need for disclosure and monitoring of proprietary and

financial interests that may affect the scientific integrity and balance of content delivered in continuing medical education activities under our auspices. The ACMS requires that all CME certified activities be developed free from the control of a commercial interest and be balanced, objective, and scientifically rigorous. Anyone with the ability to affect the content of an educational activity must disclose relevant financial relationships with health organizations producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACMS will disclose faculty and commercial relationships at the Regional Meeting.

### Disclosure of Discussion of Non-FDA Approved Uses for Pharmaceutical Products and/or Medical Devices

The ACMS requires that all faculty presenters identify and disclose any off-label uses for pharmaceutical and medical device products. The ACMS recommends that each physician fully review all the available data on new products or procedures prior to instituting them with patients.

### Disclaimer

The views expressed and the techniques presented by the speakers of the ACMS sponsored educational meetings are not necessarily shared or endorsed by the organizations. Anyone with the ability to affect the content of an educational activity must disclose relevant financial relationships with health organizations producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients, as well as any unapproved or off-label uses of medical devices or pharmaceutical agents that they discuss, describe, or demonstrate during their presentations. Meeting attendees should use their independent judgment in applying the information discussed in these educational sessions in the treatment of patients.

### Interest Disclosures

As an organization accredited by the ACCME to sponsor continuing medical education activities, ACMS is required to disclose any real or apparent conflicts of interest (COI) that any speakers may have related to the content of their presentations. The ACMS requires that all individuals (including spouse/domestic partner) in a position to control/influence content in a program designated for *AMA Physician's Recognition Award Category 1 credits™* disclose any financial interest/arrangement or affiliation with an ACCME-defined commercial organization that may impact on his/her presentation (i.e. grants, research support, honoraria, member of speakers' bureau, consultant, major stock shareholder, etc.). In addition, the faculty member must disclose when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during the educational activity.

\*\*Having a financial relationship with an ACCME-defined commercial or discussing an unlabeled use of a commercial product, may not prevent a speaker from making a presentation. However, the existence of a relevant financial relationship must be disclosed to the CME & Education Committee and Scientific Program Committee prior to the conference, so that any relevant conflict of interest may be resolved prior to that individual's participation in the CME activity.

## LEARNING OBJECTIVES

Upon completion of the Regional Meeting, participants will be able to describe the latest advances in the treatment of skin cancer, discuss recent research findings in the area of Mohs micrographic surgery and cutaneous oncology, and explain new techniques in reconstruction that promote optimal surgical outcomes.

Specific learning objectives, upon completion of the ACMS Regional Meeting include, but are not limited to:

- Identify the best imaging techniques to utilize for staging basal cell and squamous cell carcinoma;
- Identify the most current therapeutic options and management strategies for squamous cell carcinoma and basal cell carcinoma, including systemic therapy for very locally advanced cases;
- Evaluate the role of sentinel lymph node biopsy in the staging of patients with melanoma;
- Describe the current best practices for imaging, wide margins, radiation therapy and nodal staging for Merkel cell carcinoma;
- Develop a better understanding of the management of cutaneous carcinomas in solid organ transplant patients, including medication adjustment in collaboration with transplant team;
- Select reconstruction strategies that balance the best functional and aesthetic outcomes with the least morbidity;
- Describe the rationale for the utilization of postoperative antibiotics in Mohs surgery;
- Identify potential pitfalls in flap and graft repair;
- Describe options available for international volunteerism in Mohs surgery;
- Assemble multidisciplinary care with other specialists to improve outcomes for tumors at high risk for local recurrence or metastasis;
- Discuss novel techniques for repair of surgical defects of the nose, ears, lips and eyes;
- Identify management options for unusual cutaneous malignancies;
- Describe options for scar revision techniques postoperatively in Mohs surgery;
- Identify appropriate management of postoperative wounds including dressing options for lower extremities;
- Describe current best practices for choosing the most appropriate surgical prep agent depending on anatomic location to reduce both wound infections and complications;
- Discuss the clinical presentation and management of non-melanoma skin cancer at high risk for local recurrence or metastasis;
- Discuss the clinical presentation and management of melanocytic tumors at high risk for local recurrence or metastasis;
- Describe the causes of common complications for Mohs surgery and reconstructions at particular anatomic locations;
- Describe medical conditions which impact intraoperative management of Mohs surgery patients;
- Highlight reduction of wrong site surgery by photographing all skin biopsy locations.
- Describe how NSAIDS and acetaminophen provide better pain control and less side effects than narcotics following dermatologic surgery.

## GUEST SPEAKERS

---

### **Pedram Gerami, MD**

Dr. Gerami is Associate Professor of Dermatology, Pathology and Pediatrics at Northwestern University's Feinberg School of Medicine and the Co-Director of Melanoma Research at the Northwestern University Skin Cancer Institute. His interests include the utilization of clinical, histological and molecular diagnostic methods to optimize diagnostic accuracy and best predict the behavior of melanocytic neoplasms. As a clinical dermatologist, he primarily cares for patients with melanoma or atypical nevi. As a dermatopathologist, he is recognized as an international expert in the diagnosis of melanoma and is sent many second opinion cases both from within and outside of the United States. As a researcher, he is focused on developing molecular-based methods to improve the diagnosis and prognostication of melanocytic neoplasms. He has written more than 100 peer reviewed journal articles and numerous chapters in dermatologic textbooks.

Dr. Gerami received his medical degree from the Chicago Medical School and completed his residency at the University of Iowa Department of Dermatology followed by a fellowship in dermatopathology at the University of Chicago.

### **Vasu Divi, MD**

Dr. Divi joined the faculty at Stanford University in 2012 as an Assistant Professor, and currently serves as co-chair of the High-Risk Non-Melanoma Skin Cancer Working Group with Dr. Sumaira Aasi. He is also Director of Head and Neck Microvascular Reconstruction and Director of the Head and Neck Surgery Fellowship at Stanford. Dr. Divi completed his medical education at the University of Michigan in 2004, graduating with Distinction in Academics and in Research. He remained at the University of Michigan for his Otolaryngology-Head and Neck Surgery residency, completing training in 2009. He then completed a fellowship at the Massachusetts Eye and Ear Infirmary and Harvard Medical School in Head and Neck Oncology, Microvascular Reconstruction, and Skull Base Surgery. Following the completion of his training, he returned to the University of Michigan from 2010 to 2012, where he was an active member of the Head and Neck Surgery faculty and worked closely with his colleagues in Cutaneous Oncology.

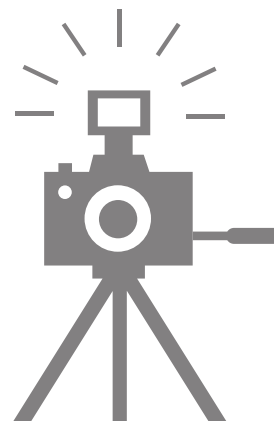

---

### **Photography and Recording Policy**

Photography or video or audio recording of sessions, materials presented in session, or exhibits without express written permission from the ACMS is strictly prohibited. Any photos, video or audio taken by or on behalf of the ACMS of the meeting activities and attendees shall be property of the ACMS.

There will be a professional photographer on-site documenting the meeting and social events. Your attendance at ACMS events implies your permission for images and/or audiovisual recordings captured during these events to be used in future ACMS promotional materials, publications, websites and social media, and waives your right to compensation or ownership of these images.

If you prefer not to be photographed, please immediately notify the photographer or an ACMS staff member if your picture is taken.

**Victor A. Neel, MD, PhD, FACMS**, Massachusetts General Hospital, Boston, MA

**Rajiv I. Nijhawan, MD**, University of Texas Southwestern Medical Center, Dallas, TX

**Gagik Oganessian, MD, PhD**, Sutter Pacific Medical Foundation/Sutter Medical Group of the Redwoods, Santa Rosa, CA

**Jonathan Olson, MD**, Dermatology Laser & Vein Specialists, Charlotte, NC

**Vishal A. Patel, MD**, Columbia University Medical Center, New York, NY

**Roberta D. Sengelmann, MD, FACMS**, Santa Barbara Skin Institute, Santa Barbara, CA

**Thuzar M. Shin, MD, PhD**, University of Pennsylvania, Philadelphia, PA

**Joseph F. Sobanko, MD, FACMS**, Hospital of the University of Pennsylvania, Philadelphia, PA

**Ally-Khan Somani, MD, PhD, FACMS**, Indiana University School of Medicine, Indianapolis, IN

**Seaver Soon, MD**, Scripps Clinic, La Jolla, CA

**Divya Srivastava, MD, FACMS**, UT Southwestern Medical Center, Dallas, TX

**Thomas Stasko, MD, FACMS**, University of Oklahoma, Oklahoma City, OK

**William G. Stebbins, MD, FACMS**, Vanderbilt Dermatology, Nashville, TN

**Todd Stultz, DDS, MD**, Cleveland Clinic Foundation, Cleveland, OH

**Valencia D. Thomas, MD, FACMS**, Mohs & Derasurgery Center, Houston, TX

**Allison T. Vidimos, MD, RPh, FACMS**, Cleveland Clinic Foundation, Cleveland, OH

**Ashley Wysong, MD, MS**, USC/Keck School of Medicine, Los Angeles, CA

**Summer R. Youker, MD, FACMS**, Skin Cancer Surgery Center, Sacramento, CA

**David M. Zloty, MD, FRCP, FACMS**, Vancouver Hospital, Vancouver, British Columbia

## SCIENTIFIC PROGRAM – FRIDAY, NOVEMBER 13

1:00 – 1:15 pm Silverado Ballroom

### Opening Session & Welcome

(Non-CME Session)

Michel A. McDonald, MD, FACMS, 2015 Regional Meeting  
Scientific Program Committee Chair

1:15 – 2:15 pm Silverado Ballroom

### Imaging of the Patient with Cutaneous Carcinoma ♦

(1.00 Credit Hour)

At the conclusion of this session, participants should be able to:

- 1) Identify the value of imaging for the detection of metastasis and disease staging;
- 2) Describe the best choices of imaging modalities for detecting local invasion and distant metastasis;
- 3) Develop strategies for collaborating with radiology in the care of high risk tumors to improve outcomes.

Moderator: Allison T. Vidimos, MD, RPh, FACMS

Speaker: Todd Stultz, DDS, MD

2:15 – 3:15 pm Silverado Ballroom

### What's New in Cutaneous Oncology

(1.00 Credit Hour)

At the conclusion of this session, participants should be able to:

- 1) Identify the most current therapeutic options and management strategies for actinic keratoses, squamous cell cancer, and basal cell cancer;
- 2) Explain recent advances in research for the role of sentinel lymph node biopsy in the staging of patients with melanoma;
- 3) Explain management strategies for the treatment of the primary site of Merkel cell cancer.

Moderator: John A. Carucci, MD, PhD, FACMS

Speakers:

Squamous Cell Carcinoma: Management & Staging

John A. Carucci, MD, PhD, FACMS

Merkel Cell Carcinoma: Management of the Primary Tumor

Kelly Harms, MD, PhD

Melanoma Update

Christopher J. Miller, MD, FACMS

Basal Cell Carcinoma: Systemic Chemotherapy Options

David M. Zloty, MD, FRCP, FACMS

Transplant Dermatology

Seaver Soon, MD

3:15 – 3:30 pm

Fairway Deck

### Break

(CME Not offered)

3:30 – 4:30 pm

Silverado Ballroom

### How Would You Reconstruct It? ♦

(1.00 Credit Hour)

At the conclusion of this session, participants should be able to:

- 1) Develop algorithms for reconstruction of defects after Mohs micrographic surgery;
- 2) Select reconstruction strategies that allow for the best functional outcomes while minimizing morbidity;
- 3) Identify multiple reconstruction options for Mohs micrographic surgery defects and the benefits and potential complications of each one.

Moderator: Hayes B. Gladstone, MD, FACMS

Speakers:

Helical Defect

Christopher J. Miller, MD, FACMS

Nasal Defect

Ian A. Maher, MD, FACMS

Oral or Scalp Defect

Roberta D. Sengemann, MD, FACMS

Cheek Repair

Ally-Khan Somani, MD, PhD, FACMS

4:30 – 5:15 pm

Silverado Ballroom

### Challenges in Mohs Surgery

(0.75 Credit Hours)

At the conclusion of this session, participants should be able to:

- 1) Recall how to address common challenges in Mohs surgery daily practice;
- 2) Describe appropriate antibiotic usage postoperatively in cutaneous surgery;
- 3) Identify the benefits and potential complications of different reconstruction options for nasal alar defects.

Moderator: William G. Stebbins, MD, FACMS

Speakers:

Nasal Alar Defect: Flap

Andrew J. Kaufman, MD, FACP, FACMS

Nasal Alar Defect: Partial Closure

Victor A. Neel, MD, PhD, FACMS

Postoperative Antibiotics

William G. Stebbins, MD, FACMS

♦ Represents advanced expertise level course.

## SCIENTIFIC PROGRAM – FRIDAY, NOVEMBER 13

5:15 – 6:00 pm Silverado Ballroom

### **International Volunteerism and Mohs Surgery**

*(0.75 Credit Hours)*

At the conclusion of this session, participants should be able to:

- 1) Recall the history of volunteer initiatives to teach and perform Mohs surgery abroad;
- 2) Prepare for logistic issues in organizing volunteer surgery overseas;
- 3) Appreciate the experience of performing surgery in another country;
- 4) Find and select possible volunteer opportunities in dermatologic surgery.

*Moderators: Murad Alam, MD, FACMS; Hayes B. Gladstone, MD, FACMS*

*Speakers:*

Introduction and Overview of Logistical Issues in Organizing Overseas Surgery

*Hayes B. Gladstone, MD, FACMS*

Mohs in Underserved Foreign Countries: Practical Challenges

*Murad Alam, MD, FACMS*

Anatomy of a Surgery Week: Romania

*Daniel Berg, MD, FACMS*

Lessons from Academic Perspective in Overseas Mohs Surgery

*Christopher J. Miller, MD, FACMS*

Volunteer Surgery in Africa

*Vishal A. Patel, MD*

6:30 pm

Fairway Deck

### **Welcome Reception**

*(CME Not offered)*

*See details below.*

## *Welcome Reception & Sensory Wine Tasting*

**Friday, November 13**

6:30–8:30 pm, Fairway Deck

*Tasting includes 5 wines + 3 flavor elements*

Open your mind and palate to three flavor experiments as wines interact with flavors such as sweet, salt and sour. Highly knowledgeable and engaging Wine Militia sommeliers will help you understand why you like certain foods based on your palate, and how chemical messages are sent to your brain.

THE **WINE** ★ **MILITIA**

◆ Represents advanced expertise level course.

## SCIENTIFIC PROGRAM – SATURDAY, NOVEMBER 14

8:00 – 9:00 am Silverado Ballroom

### Grand Rounds

(1.00 Credit Hour)

At the conclusion of this session, participants should be able to:

- 1) Discuss clinical features of unusual cutaneous malignancies;
- 2) Discuss histopathologic features of unusual cutaneous malignancies;
- 3) Develop appropriate treatment strategies for patients with unusual tumors at high risk for local recurrence or metastasis.

*Moderator: Wilfred A. Lumbang, MD, FACMS*

*Speakers:*

Recurrent pleomorphic tumor of the scalp

*Wilfred A. Lumbang, MD, FACMS*

Spindle cell tumor

*Vineet Mishra, MD*

Basaloid tumor gone wild

*Ashley Wysong, MD, MS*

Basaloid tumor from beyond

*Ravi S. Krishnan, MD, FACMS*

9:00 – 10:30 am Silverado Ballroom

### What the Mohs Surgeon Must Know About Tumors Requiring Multidisciplinary Care ♦

(1.50 Credit Hours)

At the conclusion of this session, participants should be able to:

- 1) Describe the appropriate role of members of the multidisciplinary team when treating high risk tumors;
- 2) Coordinate multidisciplinary care and improve outcomes for tumors at high risk for local recurrence or metastasis;
- 3) Identify the role of genetic profiling in malignant melanoma.

*Moderator: Sumaira Z. Aasi, MD, FACMS*

*Speakers:*

How Can the Mohs Surgeon Help with Tumor Management in Aggressive Cases Requiring Further Resection by Head and Neck Surgery?

*Sumaira Z. Aasi, MD, FACMS*

Gene Expression Profiling for Prognosticating Melanoma

*Guest Speaker: Pedram Gerami, MD*

Best Practices for Collaboration between Mohs Surgery, and Head and Neck Surgery in Patients with Aggressive Tumors

*Guest Speaker: Vasu Divi, MD*

♦ Represents advanced expertise level course.

10:30 – 11:00 am Fairway Deck

### Break

(CME Not offered)

11:00 am – 12:00 pm Silverado Ballroom

### Practice Realities: Preoperative & Postoperative

(1.00 Credit Hour)

At the conclusion of this session, participants should be able to:

- 1) Describe the rationale for choosing specific postoperative dressing options and their potential for decreasing the risk of complication;
- 2) Evaluate two different methods for treating postoperative scarring and describe their risks and benefits;
- 3) Identify different options to incorporate photography into the electronic medical record to facilitate Mohs surgery practice.

*Moderator: Anna S. Clayton, MD, FACMS*

*Speakers:*

Preoperative: Quality Improvement/Benchmarking

*William P. Davey, MD, FACMS*

Postoperative: Dressing Pearls Including Lower Extremities

*Quenby L. Erickson, DO, FACMS*

Postoperative Treatment of Scars: Fillers

*Timothy Flynn, MD, FACMS*

Preoperative: EHR & Photography

*Erin S. Gardner, MD, FACMS*

Postoperative Treatment of Scars: Laser

*Vineet Mishra, MD*

Postoperative Treatment of Scars: Dermabrasion

*Christopher B. Harmon, MD, FACMS*

12:00 – 1:00 pm Fairway Deck

### Networking Luncheon

1:00 – 2:30 pm Silverado Ballroom

### Tumor Board ♦

(1.50 Credit Hours)

At the conclusion of this session, participants should be able to:

- 1) Discuss the differences between atypical melanocytic proliferation versus melanoma in situ;
- 2) Identify histologic challenges in Mohs micrographic surgery;
- 3) Discuss a multidisciplinary approach for high risk skin cancers;
- 4) Discuss the evaluation and treatment of adnexal tumors with metastatic potential.

## SCIENTIFIC PROGRAM – SATURDAY, NOVEMBER 14

*Moderator: Allison M. Hanlon, MD, PhD*

*Speakers:*

Deeply Penetrating Neck Tumors

*Mariah R. Brown, MD, FACMS*

Adnexal Tumors with Metastatic Potential

*Allison M. Hanlon, MD, PhD*

High Risk SCC

*Thuzar Shin, MD, PhD*

Melanoma in Situ versus Atypical Melanocytic Proliferation

*Joseph F. Sobanko, MD, FACMS*

Pathology Pitfalls

*Valencia D. Thomas, MD, FACMS*

2:30 – 3:30 pm

Silverado Ballroom

### **Expand Your Horizon: Inspiring Ideas for Practice and Life**

*(1.00 Credit Hour)*

*Enjoy beer, wine or soda and light snacks during the session.*

Hear longtime ACMS members share wisdom and inspiration in the style of popular TED Talks, which focus on “ideas worth spreading.” Started in 1984 as a conference where technology, entertainment and design converged, the TED format is ideal for sharing

innovative thinking on topics from science to business to global issues and much more, with the power to change attitudes, lives and, ultimately, the world.

At the end of this session, participants should be able to:

1. Discuss the appropriate use of antibiotics in cutaneous surgery;
2. Cite the reasons for antibiotic resistance and how to minimize the risk;
3. Increase consciousness of people, places, and circumstances;
4. Develop a reasonable work/life balance.

*Moderator: Thomas Stasko, MD, FACMS*

*Speakers:*

Antibiotics: Resistance and Abuse

*Marc D. Brown, MD, FACMS*

Read Fiction: It Will Make You a Better Doctor, Lover, & Person

*David P. Clark, MD, FACMS*

Volunteerism

*Christopher B. Harmon, MD, FACMS*

3:30 pm

**Meeting adjourns for the day; enjoy Napa**

## AWARD NOMINATIONS FOR 2016

### **Frederic E. Mohs Award**

This award recognizes an active ACMS member who has devoted considerable time and effort over many years to further the goals and objectives of the organization and to promote the specialty.

Qualities for which candidates will be rated and judged by the Mohs Award Committee include excellence in teaching, clinical practice, scientific contribution, innovation, mentorship and the promotion of Mohs surgery.

**A call for nominations will be sent to members in December.** Winners are notified in March, and must commit to attending the Annual Membership Business Meeting. The winner is asked to select a fellow member to present the award.

### **Tromovitch Award**

This award is open to fellows-in-training or those in the first year after completing an ACMS-approved fellowship. Winner(s) will be selected onsite at the Annual Meeting after presentations, and announced at the fellows-in-training reception.

**See the Call for Abstracts online for criteria and details:**

[www.mohscollege.org/annualmeeting](http://www.mohscollege.org/annualmeeting)

Applicants are responsible for applying for Tromovitch Award at time of abstract submission. Recipient(s) must submit an article suitable for publication in the Journal of Dermatologic Surgery by March 2016. Upon receipt from the Journal of the submitted article, award recipient(s) receive complimentary membership dues for first year of ACMS membership and free registration for 2016 Annual Meeting.

♦ Represents advanced expertise level course.

## SCIENTIFIC PROGRAM – SUNDAY, NOVEMBER 15

8:00 – 9:30 am Silverado Ballroom

### Masters' Panel ♦

(1.50 Credit Hours)

At the conclusion of this session, participants should be able to:

- 1) Describe the use of grafts and flaps for auricular, lip and eyelid reconstruction;
- 2) Develop strategies to preserve free margins and contour during facial reconstruction;
- 3) Increase confidence in performing more complex repairs of Mohs surgical defects.

*Moderator: Marc D. Brown, MD, FACMS*

*Speakers: John G. Albertini, MD, FACMS; Elizabeth M. Billingsley, MD, FACMS; John A. Carucci, MD, PhD, FACMS; Tatyana R. Humphreys, MD, FACMS; Andrew J. Kaufman, MD, FACP, FACMS; Summer R. Youker, MD, FACMS*

9:30 – 9:45 am

### Break

(CME Not offered)

9:45 – 11:15 am Silverado Ballroom

### Approaches to Common Issues in Everyday Practice

(1.50 Credit Hours)

At the conclusion of this session, participants should be able to:

- 1) Describe approaches to the preoperative management of patients who have hypertension or who are pregnant;
- 2) Identify the risks of surgical smoke and strategies to decrease exposure intraoperatively;
- 3) Discuss factors that impact patient satisfaction in Mohs surgery and identify modalities to improve the patient experience.

*Moderator: Divya Srivastava, MD, FACMS*

### Speakers:

Postoperative Pain Medications: Options and Alternatives in Allergic Patients

*Nicholas B. Countryman, MD, MBA, FACMS*

Preoperative Immunosuppression and Other Medicines that Increase Skin Cancer Risk

*Justin J. Leitenberger, MD*

Preoperative Surgical Preps

*Rajiv I. Nijhawan, MD*

Preoperative: Cutaneous Surgery in Patients who are Pregnant or Breast Feeding

*Divya Srivastava, MD, FACMS*

Preoperative Hypertension: Approaches toward Management

*Juliet L. Aylward, MD, FACMS*

Intraoperative Surgical Smoke: Risks and Options for Management

*Gagik Oganessian, MD, PhD*

Postoperative Patient Satisfaction in Mohs Surgery: What Impacts It, and What Data do We Have?

*Divya Srivastava, MD, FACMS*

11:15 am – 12:45 pm Silverado Ballroom

### MOC: Office Safety

(Non-CME Session)

At the conclusion of this session, participants should be able to:

- 1) Assess and understand the key areas of how office based safety pertains to the practice of dermatology;
- 2) Integrate and apply the concepts of office based safety to improve office efficiency, safety, and satisfaction in the workplace of a dermatologic surgery practice;
- 3) Distinguish the most common as well as the most detrimental office based safety issues pertaining to procedural dermatology.

*Moderator: Jonathan Olson, MD*

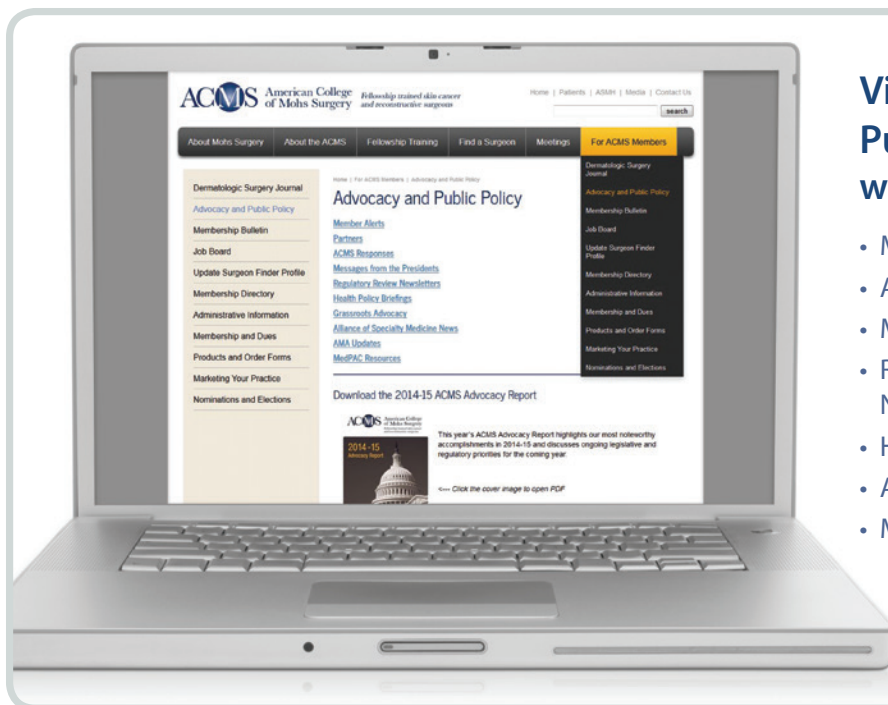

### Speakers:

*Eric A. Millican, MD; Rajiv I. Nijhawan, MD*

12:45 – 1:00 pm

### Closing Remarks & Adjourn

## Have Your Mohs Tech Participate

### in the Mohs Tech Quality Assurance (MTQA) Training Initiative

The MTQA Training Initiative is the only ACMS-approved program designed to help current Mohs technicians improve their skills and learn new techniques. By working one-on-one with an ACMS-approved MTQA trainer, your tech's training will be tailored to provide troubleshooting tips in the areas that he/she would like to learn about most. Each training session is typically 1-2 days and is set up to be convenient with the trainer's and the trainee's schedule. Upon completion of the training, the tech may claim up to 12 CEUs through the National Society for Histotechnology and will receive a completion certificate from ASMH.

For more information on participating in this training program visit [www.mohstech.org](http://www.mohstech.org) or contact the ASMH office at (414) 918-9813 or [info@mohstech.org](mailto:info@mohstech.org).

## Whitelist [info@mohscollege.org](mailto:info@mohscollege.org)

To ensure you receive important communications from the ACMS including information regarding the Annual or Regional Meetings, messages from the President, the Membership Bulletin, member surveys and more, add [info@mohscollege.org](mailto:info@mohscollege.org) to the Safe Senders list in your email account. If you think you may not have received messages from the ACMS, check your Spam or Junk Mail folder and 'whitelist' [info@mohscollege.org](mailto:info@mohscollege.org) right away!

## This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
